The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 125 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(a.) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(b.) If the number of persons belonging to the Naval Reserve on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of His Majesty's Ships, or by some unavoidable casualty.

(c.) If it is found that, although the ship is provided with an Admiralty Warrant, the above named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(d.) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

Admiralty. By command of their Lordships.

SEA CADET CORPS.

The Sea Cadet Corps is composed of officially recognised Naval Units of various Central Associations. The authority to whom the Lords Commissioners of the Admiralty delegate their power to grant official recognition of Naval Units in the British Isles is the Admiral Commanding Coastguard and Reserves, from whom copies of Regulations governing the "formation, organisation, and administration" of units of Sea Cadet Corps can be obtained.

NOTE.—*The letters N.G-S. against the name of a corps indicate that the corps although officially recognised and subject to the same regulations as the remainder, is not eligible to receive capitation grant or other concessions which will involve expense to the state, or to be supplied with Naval Stores on loan.*

EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, and Retired Pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

COMMUTATION OF RETIRED PAY OR OTHER PAYMENT OF THE LIKE NATURE, UNDER THE PENSIONS COMMUTATION ACTS, 1871 TO 1882.

The following Pensions are commutable under the rovisions of the Pensions Commutation Acts, 1871 1882, subject to such restrictions as may be nposed:—

Retired Pay or Pensions of all Officers.
Officers' Pensions for wounds and disabilities.

The following are not commutable:—

Good Service Pensions.
Naval and Greenwich Hospital Pensions.

2. By the 2nd section of the Act of 1871, the term fficer means Commissioned Officer, Warrant Officer, r Subordinate Officer of the Navy; Officers of the oyal Marines are included.

In this memorandum Pension means Retired Pay Pension.

3. An Officer may commute the whole or part of his Pension for wounds or injuries at any time either before or after retirement, subject to the proviso that, if retired, he may commute only so much thereof as will leave him with a permanent pension (including other pension, if any) of not less than £120 a year.

An applicant for commutation in receipt of a double Pension (Service and wounds) will be required to commute the Pension for wounds first.

4. (a) No Officer will be allowed to commute any portion of his Service Pension until he has attained the age of 40, unless he is certified, to the satisfaction of the Admiralty, to be permanently incapable of further active service.

Digitized by Google

(b) (i) No Officer will be allowed to commute more than half of a Service Pension of £300 or over.

(ii) No Officer will be allowed to commute so much of a Service Pension of between £180 and £300 as would reduce it below £150.

(iii) An Officer whose Service Pension is less than £180 may commute an amount not exceeding £30, provided that the total amount uncommuted is not thereby reduced below £120.

(iv) Any reduction of retired pay consequent on a fall in the cost of living will be assessed on the original amount awarded on retirement and not only on the portion remaining uncommuted, and the effect of such reduction will be ignored in determining the amount of retired pay that may be commuted.

(c) In commuting a Pension or any portion thereof, there shall be charged a fee of one per cent. on the amount awarded, provided that such fee shall never be less than £1, nor more than £10 in each case.

5. An Officer desirous of commuting a part of his Pension must make application in writing to the Secretary to the Admiralty, stating his desire to commute, his date of birth, and his rank, and the amount of his Retired Pay; and he must specify either the portion he wishes to commute or the capital sum he wishes to realise.

6. If the Admiralty shall think proper to recommend the commutation, the Officer will be so informed, and his letter of application will be forwarded to the Commutation Board, from whom he will receive further instructions. The fact that an Officer's application has been recommended by the Admiralty to the Commutation Board must not be taken to imply that the application will necessarily be approved by the Commutation Board of the Treasury.

7. The Commutation Board will require him to give such information as to his health and habits as is usual in the case of persons proposing to assure their lives in assurance companies, and he will be required to submit himself for personal examination at the Office of the Board, 19, Old Jewry, London E.C., but persons abroad who desire to be exempted from personal attendance may apply to the Commutation Board accordingly, stating their reasons for making the request; and their applications will be submitted to the Lords Commissioners of His Majesty's Treasury, whose decision in the case will be final.

8. In the event of an applicant not taking steps to complete the necessary forms, or failing to attend for medical examination when called upon to do so within seven months of an application being received by the Pensions Commutation Board, no further steps will be taken by that Board without a renewed application from the person proposing to commute, and a further recommendation from the Admiralty.

9. The basis of the commutation will be the following Table, subject to an addition of years of age in the case of impaired lives, and to a deduction of years of age as an equivalent for the right to prospective increase of Pension, if such right shall exist:—

10. Applicants for commutation will continue to draw the pension which they have applied to commute until the date upon which the Warrant for the Treasury Award is handed by the Pensions Commutation Board to the National Debt Commissioners or until seven months have elapsed from the date upon which an application to commute was received at the Admiralty, whichever is the earlier.

The amount of money to be paid in commutation will be fixed by the Treasury on the recommendation of the Commutation Board. The applicant will then be informed of the amount, and he will have the option of withdrawing his application on the payment of a fee of £2 within 30 days after receiving that notice, but if the applicant shall not withdraw his application and pay the above fee within that period, the decision will be considered final, and the commutation will take place absolutely. Officers must not assume that the recommendation of the Commutation Board will be necessarily approved by the Treasury, and should make no arrangements depending on commutation until informed by letter from the Commutation Board of the amount awarded.

11. The Admiralty have full discretionary power to forward, or to refuse to forward, applications for commutation to the Commutation Board, especially in the cases of persons reported for neglect or desertion of family; of persons under stoppage of Pension by Bankruptcy orders; of persons likely to go abroad and leave their families a burden on the public; and such like cases.

12. If any applicant for commutation wilfully makes any false declaration in relation thereto he shall be liable to forfeit all claim to his Pension or the value thereof, and to imprisonment, or fine or both.

13. The Widows of Officers who commute will be granted Pensions according to the usual scale, provided :—

(a) That they married before date of commutation.

(b) That their husbands' names were on the List of the Navy at the time of death.

(c) That they are otherwise eligible for Pensions.

14. The Children of Officers who commute will be granted Compassionate Allowances according to the usual scale, provided :—

(a) That they were born before date of commutation.

(b) Their fathers' names were on the List of the Navy at the time of death.

(c) That they are otherwise eligible for Compassionate Allowances.

15. The Pensions to Widows of Officers who marry after commutation, and the Compassionate Allowance to children born after commutation, will be reduced in proportion to the decrease caused in the Pension of the Officer by such commutation.

16. The claims of Officers to be awarded Naval, or Greenwich Hospital Pensions will not be affected by their having commuted their Pensions, provided their names are on the List of the Navy.

17. Retention of the names of Naval and Marine Officers who have already commuted the whole of their Pension on the List of Commissioned Officers will depend upon their reporting to the Secretary of the Admiralty, in writing, annually, between 1st January and 31st March, the fact of their being alive.

18. The retention in the Army List of the names of Marine Officers who have already commuted the whole of their Pension will depend upon their reporting themselves, in writing, half yearly, to the Secretary of the War Office, Whitehall.

19. Officers who have already commuted the whole of their Pension are not eligible as Patients in Naval Hospitals, but partial commutation does not prevent admission as such.

By Command of Their Lordships.

RETIREMENTS, &c.

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c.

NOTE.—*For Tables of Full, Half, and Retired Pay, and Gratuities, see pp.* 2233, 2274.

NAVAL OFFICERS.

I.—General Rules.

1. After retirement no increase of retired pay to be allowed to any Officer, except in the case of his retention in a Civil appointment at or under the Admiralty. The only addition possible will be in the form of Pension.

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions as to voluntary retirements.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

3a. Officers appointed to technical and administrative posts, which carry with them rates of pay and pension on a civilian basis, shall be supernumerary to the Established Lists whilst so employed.

4. The sentence of a Court-Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his half or retired pay or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, pension, or gratuity, depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5 (*a*) An Officer who, in the opinion of the Admiralty, by reason of an act or acts of misconduct or through intemperate or irregular habits of life has become unfit for, or, in the opinion of the Admiralty, is for any reason unworthy of, further employment, may be placed on the Retired or Pension List irrespective of Age or Service, whether he has been tried by Court-Martial or not.

(*b*) An Officer placed on the Retired List under Clause (*a*), may be granted such rate of Retired Pay, or such Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the half-pay to which such Officer was entitled previous to retirement, and that the amount of the Gratuity awarded shall not exceed the commutation value (as assessed by the Pensions Commutation Board) of such half-pay; and shall be less than the amount of Gratuity to which he would have been entitled under ordinary circumstances.

No Officer may, however, be granted Retired Pay in excess of the amount to which he would have been entitled under ordinary circumstances.

(*c*) An Officer who has had long and good service, but who is not entitled under ordinary Regulations to Retired Pay or Gratuity, in consequence of forfeiture of service by sentence of Court Martial, may be awarded such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

(*d*) An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of half-pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

No Officer may, however, be awarded a Compassionate Allowance in excess of the Retired Pay to which he would have been entitled, under ordinary circumstances, on retirement.

(*e*) Sub-Lieutenants of all Branches, whether dismissed the Service by Court-Martial or placed on the Retired List under Clause (*a*) may be awarded gratuities not exceeding 50*l.* for each year's service in these ranks, or 250*l.* in all.

(*f*) Officers allowed to resign their commissions to avoid trial by Court-Martial may be granted such compassionate allowance as the Admiralty may think fit, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled at the time of resignation, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

(*g*) Commissioned Officers from Warrant Rank, Warrant Officers, and Officers of Coast Guard other than Commissioned Officers, placed on the Pension List under Clause(*a*) may be awarded such reduced rates of pension as the Admiralty may in each case determine.

(*h*) Nothing in these provisions shall prejudice or affect the power of the Admiralty to discharge or dismiss Officers, or shall confer on any person who has been removed from His Majesty's Service any right to half-pay, retired pay, or pension, compassionate allowance, or gratuity.

The expression "an Officer" in these regulations shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers and Subordinate Officers of all ranks.

FROM CHAP. II.—CEREMONIES AND DISTINCTIONS.

XVI.—UNIFORM.

154. In accordance with the provisions of Art. 4 the Uniforms directed to be worn are specified and described in the Book of Uniform Regulations, and are also published from time to time in the Navy List

2. The prescribed patterns are to be strictly adhered to.

When to be worn.

155. Every Officer from the time of his joining the Fleet, Squadron, or Ship to which he shall be appointed, to that of his being removed from it, shall wear the uniform established for his rank, except when he shall have leave from the Admiralty or the Senior Officer to be absent from his duty, or as hereinafter provided.

Public Occasions.

2. At Reviews, Public Balls, or Entertainments given by Naval or Military Authorities, by Civil Functionaries, or by Military Messes at ports at which their ships may be lying. Officers are to wear the uniform of their rank, as prescribed for the various occasions specified in the Uniform Regulations under "Dresses and occasions on which they are to be worn," and no deviations are to be authorised without special authority previously obtained from the Admiralty.

Not at Fancy Dress Balls.

3. Officers are not to wear Naval Uniform at Fancy Dress Balls, except at those given by the Governor of Malta. They are not prohibited, however, from appearing at such Entertainments elsewhere in uniform of a date anterior to 1843.

XIX.—MANNER OF WEARING DECORATIONS, ORDERS, AND MEDALS.

Knights Grand Cross and Knights Grand Commanders.

167. The insignia of Knights Grand Cross and Knights Grand Commanders, of Orders consisting of the Badge suspended from a broad ribbon over the shoulder, and the Star, are to be worn with full dress and ball dress, and white full dress. With full dress the Ribbon should be worn under the epaulette and sword belt; with white full dress under the shoulder strap, and with ball dress under the coat and over the waistcoat. One ribbon and badge only is to be worn, and this is to be the senior ribbon and badge, unless a junior should appear to be more appropriate to the occasion. With full dress, on collar days, the collar takes the place of the ribbon, being worn over the epaulettes, hanging at equal distance back and front, and fastened to the shoulders by bows of white satin, one and a half inches wide; on these occasions a Knight Grand Cross or Knight Grand Commander of more than one Order wears in addition the ribbon and badge of the next senior Order.

2. With frock coat and epaulettes and with white dress, the Star of the order only is to be worn. With frock coat and with white undress on the occasions prescribed for frock coat the Star may be worn at discretion.

3. With white undress on other occasions and with other uniform coats, except full dress, ball dress, mess dress, and mess undress, the ribbon of a Companion of the Order is to be worn; with mess dress, miniature Badges but not Stars are to be worn in lieu, and with mess undress, Ribbons of miniatures.

Knights Commanders and Commanders.

4. The insignia of Knights Commanders and Commanders of Orders and of Companions of the Orders of the Bath, the Star of India, Saint Michael and Saint George and the Indian Empire, consisting of the Badge suspended from a ribbon round the neck, and in the case of Knights Commanders, the Star, are to be worn with full dress, ball dress, and white full dress. The ribbon should be worn inside the collar of the coat and under the necktie so that the Badge hangs outside one inch below the front of the collar or the tie.

If the insignia of more than one Order be worn, one ribbon and badge only is worn round the neck as described above. With full dress the ribbon and badge so worn is the senior, unless a junior appears to be more appropriate to the occasion; the other badges are worn one below the other, each suspended from a small eye stitched inside the coat, on three inches of ribbon emerging from between the buttons of the coat, commencing between the first and second buttons on the right side of the coat. With white full dress the senior badge is worn round the neck unless a junior appears to be more appropriate to the occasion; the other badges emerge from between the buttons of the coat as in full dress, but commencing one inch below the senior badge. With ball dress, the senior badge only is worn round the neck, unless a junior badge should appear to be more appropriate to the occasion. All badges are worn on the breast in miniature.

The above rule applies to such classes of British and Foreign decorations as are ordered to be worn round the neck.

5. With white dress and white undress, and with other uniform coats, except full dress and ball dress, the rules laid down in clauses 2 and 3 are to be observed.

* Specimen Uniforms may be seen at the Admiralty Pattern Rooms, Broadway, Westminster, S.W.

The above order of Orders, Decorations and Medals, applies to those of similar grades. When the miniature or ribbon of a higher grade of a junior Order is worn with the miniature or ribbon of a lower grade of a senior Order the higher grade miniature or ribbon should come first, *e.g.*, the miniature or ribbon of a K.C.I.E. will come before a C.B., and a G.C.M.G. before a K.C.B.

b. Foreign Orders.—In order of date.

c. Foreign Decorations.—In order of date.

d. Foreign Medals.—In order of date.

In Undress Uniform no Badge of an Order will be worn round the neck.

The ribbon of an order, decoration or medal may be assumed from the date of the official notification of the award, and may be worn when the recipient attends for investiture.

Medals awarded by Societies.

10. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

If the Stanhope Gold Medal is awarded to an officer or man by the Royal Humane Society, it is to be worn in place of, and not in addition to, the Silver Medal previously granted.

Bar for Decorations, &c.

11. The several Decorations, Badges and Medals, are to be worn on the left breast in one horizontal line, one inch below the point of the shoulder, suspended from a bar of which no part is to be seen, and commencing with the end furthest from the shoulder.

On the full dress coat the bar must not project beyond the centre seam, and when the Decorations, Orders and Medals cannot, on account of their number, be suspended from the bar so as to be fully seen, they are to overlap the highest shewing in full. With ball dress and mess dress the bar is to go over the lapel if necessary, but not beyond.

Ribbons when Decorations, &c. are worn.

12. When Decorations, Orders and Medals are worn, the Medal ribbons are to be of the following lengths:—

Full size	..	..	..	1½ inch
Miniature	..	..	..	1 inch

Ribbons of these lengths carry 4 clasps. If more than 4 clasps are worn the length of the ribbon is to be regulated by there being half an inch of clear ribbon between the top edge of the ribbon and the highest clasp in the case of full-sized medals, and ¾ of an inch in the case of miniatures, the remaining ribbons being so regulated that the centres of the medals are in line with the centre of the medal having the largest number of clasps.

Officers are to wear their medals loose, unless they have such a number as to necessitate overlapping, in which case they may at the option of the wearer, be worn in the Court method. Miniatures may be worn either loose or in the Court method. In the Court method the ribbons are mounted on a frame of which the lower edge is in line with the centre of the decorations and medals. Good conduct badges are to be worn on the left arm, the line joining the upper points of the first badge to be 5 inches from the point of the shoulder. (*See* Sketch.)

Good shooting badges are to be worn by all marksmen 1½ inches above the point of the right cuff of No. 1 serge jumpers or from end of sleeve of jumpers without cuffs.

Material for Badges.

All badges worn on cloth and best serge dresses are to be embroidered in gold, those on other serge dresses in red worsted, and those on white in blue cotton.

Distinguishing Badges.—General Remarks.

A star above the badge in every case indicates a man of superior qualifications, and another star below denotes that the man has passed for and is performing certain special duties.

So as not to necessitate all badges being changed when a special qualification is altered, stars are supplied independent of badges, and capable of being sewn on or removed as necessary. Spare crowns are also supplied separately, so that in case of a man being given an Instructor Rating etc., the badge already in his possession can easily be altered.

The single gun, torpedo, or rifle, when worn, is always to point away from the body.

The following is a descriptive list of badges indicative of special qualifications or duties, viz. —

2. Candidates must be of pure European descent, and the sons either of natural-born or naturalized British subjects. In doubtful cases the burden of clear proof will rest upon the parents or guardians of Candidates.

All Naval Cadets entered under these regulations are trained together, but after passing for the rank of Lieutenant, or at an earlier stage, they may be required to serve either as general service Officers or in one of the special branches, undertaking either Engineering, Gunnery, Torpedo, Navigation, or other special duty.

As far as possible Officers selected for special service will be allowed to choose the branch in which they will qualify, subject to the proviso that all branches are satisfactorily filled.

Parents or guardians are required to declare in writing their intention that the Candidate, if he obtains a Cadetship, shall adopt the Navy as his profession in life; and it is subject to this undertaking that Candidates are selected for Cadetships. Every Cadet who enters the Royal Naval College must therefore be prepared to continue his training so long as the Admiralty are satisfied with his progress, and parents are not at liberty to withdraw their sons at will.

On the entry of a Cadet, parents or guardians will be required to undertake that, in the event of his withdrawing or being withdrawn from the College, or from the Navy before being confirmed as a Sub-Lieutenant, they will pay to the Admiralty, if demanded, the sum of £40 per term in respect of each term passed by him at the R.N. Colleges, Osborne and Dartmouth, from the date of his entry to the date of his withdrawal, as a contribution towards the balance of the cost of his training and maintenance not covered by the fees charged mentioned in para. 15.

Parents or uardians will then be required to make on behalf the Cadet a private allowance at the rate of £50 a ar until he reaches the rank of Midshipman. is allowance, which will be claimed periodically advance by the Accountant-General of the Navy, utilised to provide for all necessaries incidental the Cadet's training (*e.g.*, purchase of books, tertainments, &c.), and is in no way a personal lowance to the Cadet himself.

19. The parent or guardian of every Cadet is re ired to provide outfit under the regulations in rce.

20. All travelling expenses for Cadets are advanced the Paymaster of the College, who will charge the m to the Cadet's personal account.

21. Inasmuch as the Cadets have a weekly allow ce paid to them as pocket-money, and a charge is ade to pay the expenses attending their amuse ents, it is unnecessary that their friends should ve them any money except on joining, or on their turn from the Vacations, and the amount should en be reasonable. Such money as may be required a Cadet for any special circumstances will be vanced by the Paymaster under the authority of e Captain.

22. On reaching the ninth term at Dartmouth ch Cadet will be provided with a sextant of the proved Admiralty pattern, the cost (10 guineas) ing charged to the Cadet's personal account.

A certificate drawn up in e necessary Form, is sent to each Parent, and lures on the part of the Cadet to produce this rtificate, duly filled up and signed, on his return ll entail his *not being received*.

In the event of a Cadet being placed on the Sick st, information is always sent to his Parents or uardians, who are also kept informed of the progress the patient should the illness be in the slightest gree serious.

28. Letters relative to the Cadets should be dressed to:—"*The Commanding Officer*, Royal aval College, Dartmouth," or "*The Commanding ficer*, H.M.S. ———," and not to the Captain by me.

A proportion of the time of the Cadets is given to the practical study of Engineering in the Workshops and Instructional Steamboats attached to the College, and also in the Training Ship.

30. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination and partly by the marks gained for current work.

31. The passing-out examination of Cadets is representative of all subjects studied at the College, with the exception of Religious Knowledge, which does not form part of the official examination. Marks for work done during previous terms are combined with the marks directly awarded in the examination, and marks are also awarded for Officer-like qualities.

First, Second and Third Classes will be awarded and the class obtained in passing out from the College counts afterwards towards promotion to the rank of Sub-Lieutenant, promotion being accelerated according to the following scale:—

For a First Class	-	2 months.
For a Second Class	-	1 month.

Time will also be awarded for the course in the Training Ship which will similarly count towards promotion to Sub-Lieutenant:—

For a First Class	-	1 month.
For a Second Class	-	½ month.

The greatest amount of time that can be gained on passing out as Midshipman is accordingly three months.

32. Cadets may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty:—

(1) They fail to reach a satisfactory standard, or
(2) Their conduct is unsatisfactory, or
(3) They are unsuitable for the Naval Service.

33. It is to be distinctly understood that the period of training, including the time spent in the Training Ship, is a time of probation, and the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

34. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, to enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

O. MURRAY.

SPECIAL ENTRY OF NAVAL CADETS.

REGULATIONS FOR THE SPECIAL ENTRY OF NAVAL CADETS, WHICH WILL REMAIN IN FORCE AFTER THE YEAR 1916, UNTIL FURTHER NOTICE

1. Fifteen Naval Cadetships will be offered for competition under the following regulations in year 1913.

2. Examinations will be held annually in June. Candidates for admission must be not more than 18½ nor less than 17½ years of age on the 1st of July following the examination. No nomination is required. Applications should be made to the Secretary of the Admiralty, Whitehall, S.W. 1, not later than the 1st April, preceding the examination. A form of

3. Candidates must be of pure European descent and the sons either of natural-born or naturalised British subjects. In doubtful cases the burden of clear proof will rest upon the Candidate.

Candidates must be unmarried.

4. Applicants who satisfy these conditions will be invited to appear before a Committee at the Admiralty. This Committee will interview each Candidate and examine credentials furnished by the headmaster of the school he is attending or last attended. A report will be obtained beforehand from the headmaster for the information of the Committee as to the Candidate's conduct, abilities, past training and general promise of suitability. On the report of this Committee it will be determined whether the Candidate shall be admitted to compete. Candidates will be required to pass at the same time a Medical Examination, according to the prescribed regulations, as to their physical fitness for the Navy. Travelling and other expenses incurred in connection with Interview and Medical examination cannot be recovered from the Admiralty

A Candidate who has passed the medical test for the Royal Air Force, within a period of 6 months before his appearance for interview, will not be required to undergo further medical examination.

Such candidates will be required to produce an Official Certificate of the result of the Royal Air Force examination.

Candidates from the Dominions and Colonies may be interviewed and medically examined by the Naval Authorities on the Station, the application being made through the Dominion or Colonial Government concerned.

Such candidates, if selected and found physically fit, will be required to attend the competitive examination in this country, *vide* paragraph 6.

5. Every Candidate must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age.

Details of the Physical requirements of Candidates are contained in Appendix I.

6. Candidates admitted to compete will present themselves for examination in June by the Civil Service Commissioners. The subjects of examination and a syllabus of the subjects are shown in Appendix III. Any further particulars of the examination can be obtained from the Secretary, Civil Service Commission, Burlington Gardens, W.1.

By arrangement between the Admiralty and the War Office a Candidate who is admitted to compete in the examination for special entry as a Naval Cadet may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time for admission to the Royal Military Academy, Woolwich, or Royal Military College, Sandhurst, or to first appointments in the Royal Marines, in which case he must express definitely his order of preference* before the examination has begun. For particulars of the conditions of entry to the Royal Military Academy and Royal Military College, application should be made to the Secretary, Civil Service Commission.

Regulations for first appointments in the Royal Marines may be obtained from the Secretary of the Admiralty.

7. A list of successful candidates in order of merit will be published by the Civil Service Commission.

8. Successful candidates who are the sons of Officers of the Royal Navy, Royal Marines or Army, who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly and wholly to war service, or have died of disease attributable to active service, may be appointed as King's Cadets.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of Naval training:—

(1) The grant of an outfit allowance of £40 on first entry.

(2) The remission of private allowance.

In cases where the above conditions are fulfilled by Cadets, Midshipmen, or Acting Sub-Lieutenants already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of private allowance.

King's Cadets will be eligible for Compassionate Allowances as prescribed by the Regulations, but will not receive Education Allowances.

9. Successful candidates will be appointed as Cadets to undergo a course of training for a period of 12 months, divided into 3 terms, of which the first two will be spent in H.M.S. Courageous, at Portsmouth and the third in H.M.S. Thunderer. Time will be awarded for the Course in the Training Ships and will count towards promotion to Sub-Lieutenant according to the following scale,

For a first class 2 months.
For a second class 1 month.

Naval Cadets under training will be subject to the Regulations for the time being in force respecting such Cadets

On completing this course, and passing out satisfactorily they will join the Fleet as Midshipmen. They will become Midshipmen later in age than Cadets who enter through Dartmouth, but their Services in the subordinate rank, will be shorter, with the general result that except for the effect of the accelerated promotion which they may obtain by doing well in their final examinations, their age will usually be about 6 months more on attaining the rank of Lieutenant.

* Following the Army Regulations, a Candidate may say that if he is not among the first (so many) successful competitors for the Royal Military Academy or the Royal Military College (as the case may be) he will elect for a Naval Cadetship.

10. On attaining the rank of Lieutenant the Officers entered under the Special Entry Scheme will come under the same regulations in regard to promotion as the Officers entered through Dartmouth, and will have exactly the same opportunities for advancement to the highest ranks.

The difference in age in the early ranks between these Officers and the Dartmouth entries will not militate against the prospects of promotion of the former, and, as promotion to the ranks of Commander and Captain is by selection, on merit, a special entry Officer who receives early promotion would reduce or overtake this difference in age.

11. All Naval Cadets entered under these Regulations are trained together but, after passing for the rank of Lieutenant or at an earlier stage, they may be required to serve either as general Service Officers or in one of the special branches, undertaking either Engineering, Gunnery, Torpedo, Navigation, or other special duty. As far as possible Officers selected for special service will be allowed to choose the Branch in which they will qualify, subject to the proviso that all Branches are satisfactorily filled.

Parents or Guardians of Candidates for appointments as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

12. Parents or Guardians are required to make on behalf of the Cadet a private allowance at the rate of £50 per annum from the time they join the Naval Service until they reach the rank of Midshipman. This allowance, which will be claimed periodically in advance by the Accountant-General of the Navy, is utilised to provide for all necessaries incidental to the Cadet's training, (*e.g.*, purchase of books entertainments, &c.), and is in no way a personal allowance to the Cadet himself. Private allowance, together with Cadets' pay and allowance for messing, should normally be sufficient to meet their expenses, but should this not be the case, the deficit, which would be of small amount, would be chargeable to the Parent or Guardian On reaching the rank of Sub-Lieutenant, an Officer is required to provide himself with the uniform of a Commissioned Officer.

13. Cadets will be paid 1s. a day from the time of entry until they become Midshipmen, when their pay will become 3s. a day. On reaching the rank of Sub-Lieutenant an Officer will be paid 10s. a day. The commencing rate of pay of a Lieutenant is 17s. a day; this rank is reached, as a rule, after a period of about two years as Sub-Lieutenant.

A Sub-Lieutenant can meet his mess and other necessary expenditure on the pay of 10s. a day.

14. The Parent or Guardian of every Cadet is required to provide an outfit under the Regulations in force. A list of the outfit required under present Regulations is contained in Appendix II. The outfit costs about £65. Additional uniform required on being rated Midshipman is estimated to cost about £20.

15. On joining H.M.S. "Courageous." Cadets will be provided with a sextant of the approved Admiralty pattern, the cost (10 guineas) being charged against the Cadet's personal account. Sextants already in possession of Cadets will be accepted in lieu if passed by the Commanding Officer, and accompanied by a National Physical Laboratory Certificate, Class A.

16. All travelling expenses for Cadets will be advanced by the Paymaster, but will be charged to the Cadet.

Such money as may be required by Cadets for any special circumstance will be advanced by the Paymaster under the authority of the Commanding Officer.

17. Parents or Guardians of a Cadet must, in all cases of a permanent change of residence, inform the Admiralty and the Commanding Officer of the Training Cruiser or Establishment.

18. A Cadet may be required to be withdrawn at any time, if in the opinion of the Lords Commissioners of the Admiralty:—

(1) he fails to reach a satisfactory standard, or
(2) his conduct is unsatisfactory, or
(3) he is considered unsuitable for the Naval Service.

By command of Their Lordships,

ADMIRALTY, O. MURRAY.
November, 1921.

APPENDIX I.—PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries.

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision, squint, imperfect perception of colours, fistula lachrymalis, or any chronic disease of the eyes or eyelids. Candidates for Naval Cadetships at the Royal Naval College, Osborne, must possess full normal vision, viz.—6/6, and be able to read D=0.6, as determined by Snellen's test types, each eye being separately examined. A high degree of Hypermetropia will disqualify. For Candidates for any other branches of the Royal Navy, full normal vision is not required, but any defect of vision must be due to errors of refraction which can be corrected to normal by glasses, and vision without glasses must in any case be not less than 6/60 with each eye, and the candidate must be able to read D=0.6 of Snellen's test types. Candidates for Special Entry Cadetships must possess full normal vision in one eye, viz.:—6/6; and not less than 6/12, without glasses, in the other: the defect must be due to refractive errors, otherwise the Regulations are the same as for the Royal Naval College, Osborne. This lower standard will only be accepted on the clear understanding that these Officers will undergo a further test of eyesight on the completion of their Sub-Lieutenant's examination at the Schools, and a further examination, if considered necessary, on attaining the age of 25. Officers will be regarded as unfit for the Service if the standard at either of these later tests falls below 6/6 in one eye, and 6/12 in the other, except that Officers may be allowed to remain in the Service for Engine Room duties only, if they elect to specialise so long as their eyesight is not below 6/9 in one eye and 6/12 in the other. A Candidate who has passed the Medical Test for the Royal Air Force, within a period of 6 months before the date of the Official Medical examination for the Royal Navy will not be required to undergo further medical examination.

5. Impaired hearing or discharge from one or both ears or any disease of the external, middle, or internal ear.

6. Disease of the bones of the nose or of its cartilages, nasal polypus, or disease of the naso pharynx.

7. Disease of the throat, tongue, palate or tonsils, many unsound teeth,† unhealthy gums, disease of the glands of the throat or neck, external cicatrices if at all extensive, and especially if adherent.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, or any symptom of lung disease or tendency thereto.

9. Undue swelling or distension of the abdomen, obesity, disease or enlargement of the abdominal organs. Rupture, weakness or distension of the abdominal rings; any disease of the bladder or incontinence of urine.

10. The existence of any serious defect of the genital organs, or of varicocele when it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty, e.g., when it is associated with varicose veins or piles.

11. Paralysis, weakness, impaired motion or deformity of the upper or lower extremities, from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers, or toes.

12. Distortion of the spine, of the bones of the chest, or pelvis, from injury or constitutional defect.

No person will be admitted into His Majesty's Service unless he has been vaccinated. Re-vaccination will also be required if considered necessary.

† *i.e.*—Seven teeth defective or deficient in persons under 17 years of age on the date of entry, ten defective or deficient teeth in persons above the age of 17—a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Credit is also given for teeth which have not erupted. Candidates must, however, possess seven sound opposing molars and incisors. The numbers given above are intended as a general guide, and are not necessarily strictly adhered to, provided the general condition of the teeth is good.

4. Any officer who is unwilling to apply for permanent service, or whose application is not accepted, will withdraw at the end of four years from the date on which he qualified, with a gratuity as laid down in paragraph 6. This period may be extended by mutual arrangement, but there will be no further increase in the gratuity.

During the fourth year of this period a Temporary Instructor Officer who wishes to withdraw may apply to do so, but it must be understood that Admiralty permission will depend on the requirements of the Service.

5. The Admiralty reserve the right to dispense with the services of any Temporary Instructor Officer after two or three years from the date on which he qualified, with a gratuity as laid down in paragraph 6.

Time as Acting Temporary Instructor Lieutenant, while undergoing the preliminary course of instruction, will not count for this purpose.

Part of a year's service will not count for gratuity.

7. An Acting Temporary Instructor Lieutenant and a Temporary Instructor Lieutenant will wear the uniform of an Instructor Lieutenant, but the former will only have to provide himself with that necessary for dresses No. 5 and 7 and the latter with that for Nos. 4, 5, and 7, as laid down in the uniform regulations If sent to a hot climate, a Temporary Officer will also have to provide himself with that necessary for dresses No. 8b and 10.

An allowance of £6) towards the provision of necessary uniform is payable on satisfactory completion of the course at Greenwich.

8. An Instructor Officer on being appointed to a ship will be responsible to the Commanding Officer for all scholastic instruction of both officers and men. In ships where an Instructor Officer is borne, the Chaplain will cease therefore to be responsible for the educational training of ratings and for the supervision of officers of the Schoolmaster Branch, these duties being transferred to the Instructor Officer.

In addition to assisting the Specialist Officers in the instruction of Midshipmen in certain parts of their professional subjects, the Instructor Officer will be available to assist young Lieutenants who desire to specialise in any branch of their profession; to give such lectures and instruction as the Commanding Officer may think desirable to arrange for the benefit of officers and men; and to assist with his scientific knowledge in solving any problems that may arise.

This journal is to be a record and also a description of this work. It is to be examined and signed from time to time by the Commanding Officer, must be produced at inspections, and is to be sent to the Admiralty at the end of each year, or when the ship pays off.

(2) That he is of pure European descent* and the son of either natural born or naturalised British subjects.

3. The certificates of registration and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director General, Medical Department, Admiralty, S.W.1., to permit of reference to the Candidate's Medical School.

4. The Dean or other responsible authority of such school will be requested by the Medical Director-General to render a confidential report as to the Candidate's character, conduct, professional ability and fitness to hold a commission in the Royal Navy.

---

* If any doubt should arise on this question the burden of clear proof that he is qualified will rest upon the Candidate himself.

5. The Candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a Board of Naval Medical Officers. The Medical Director-General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination which will be held twice a year. (*See* heading Examinations, section 16.)

7. The appointments announced for competition will be filled from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than six Candidates according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medica Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Dominion or Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish it, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will, however, be in any case necessary for them to pass a qualifying test at the time of the usual half-yearly examinations, when they will be required to obtain a minimum of 50 per cent. of the total marks allowed in each Subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the Candidate's Dominion or Colony, or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

9. Candidates who have served in the Officers' Training Corps, and who are in possession of the Certificates laid down in the regulations for that Corps will be credited at the entrance examination with additional marks as follows:—Candidates in possession of Certificate A will receive 3 per cent. and those who possess Certificates A and B, 6 per cent. of the maximum number of marks allotted.

Candidates who have served during the War in the Royal Navy, Army or Air Force, either as Officers or Men, but who have not been members of the Officers Training Corps, will be accorded 3 per cent. credit if their services are under 1 year, and 6 per cent. if over that period.

10. A Candidate will not be allowed to compete at more than two examinations.

Regulations as to Acting Surgeon Lieutenants

11. A Candidate successful at the entrance examination will be appointed as Acting Surgeon Lieutenant in the Royal Navy and will be required to pass through such courses as the Admiralty may decide. (*See* under the heading Examinations.) At the end of the courses the Acting Surgeon Lieutenant will be examined, and, after he has passed, will be given a commission as Surgeon Lieutenant in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon Lieutenant who fails to qualify at the above examination, that is to say, who fails to obtain at least 50 per cent. of the marks in each subject at the examination at the end of the Greenwich and Haslar Courses, will, if he so elects, be allowed a second trial at the next examination, and, should he qualify, he will be placed at the bottom of his original list; but should he again fail, his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed no pay from Naval Funds, and the period will not be counted as service for either promotion, withdrawal with gratuity, or retirement.

12. A gold medal, a silver medal and three Regulation pocket cases will be awarded as prizes in connection with these examinations; and the Gold Medallist will have a distinguishing mark after his name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer in a Civil Hospital. The eligibility of an appointment to count for time will be decided by the Medical Director-General.

14. The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and the examinations at the conclusion of their probationary period as Acting Surgeon Lieutenant. Their names will then be placed in the Official Navy List. Candidates who hold or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital will retain the position in the list which they obtained on entry, and when their period of service as Resident Officer is over, they will join the next "Acting Surgeon Lieutenants' Course," and will be required to obtain qualifying marks. Surgeon Lieutenants entered without competition will rank in seniority next after the last Surgeon Lieutenant entered at the same time by competition.*

15. Surgeon Lieutenants on entry are required to provide themselves with a regulation pocket case of instruments.

15a. Acting Surgeon Lieutenants under training may, if they wish, provide themselves with the articles of uniform only which are required for dresses No. 5 (Undress) and No. 7 (Mess Undress) omitting white trousers, sword and belt. On receiving commissions as Surgeon Lieutenants they are to provide themselves with the complete outfit of uniform prescribed by the regulations.

Examination for Entry.

16. Candidates will be examined by the examining board in the following subjects:—

(*a*) Medicine, including medical pathology and therapeutics.

(*b*) Surgery, including surgical pathology and clinical surgery.

The examination will be partly written and partly practical, marks being allotted under the following scheme:—

No candidate shall be considered eligible who obtains less than 50 per cent. of marks in each subject. The examination will be held in London and will occupy four days.

The Regulations as to examination for and promotion to the higher ranks are included in the King's Regulations and Admiralty Instructions, while particulars as to pay, retirement, etc., are shown in the Navy List under the Tables of Full and Half Pay, and under the Rules for Retirement.

The gratuity will be paid only to Officers who are discharged on the completion of the periods of service laid down in Section F, Paragraph 1, and to Officers who are invalided for causes not within their own control before the completion of the prescribed period of service. The gratuity will be calculated on the scale of time laid down in the King's Regulations and Admiralty Instructions ("Explanation of Terms").

3. No unemployed or half-pay to be payable.

4. To be granted 30 days' advance of pay on joining a ship on first appointment.

5. To receive the same allowances as are payable to Permanent Officers of their rank. Lodging money at the rate of £80 a year is usually allowed when employed on shore without Quarters in the United Kingdom, and £56 10s. a year in lieu of rations when not victualled in kind. In cases, however, of temporary employment on shore not exceeding 30 days, the lodging and provision allowance will be at the rate of 8s. and 5s. 6d. per day respectively.

(Rates of lodging money and provision allowance are subject to revision from time to time.)

(C) UNIFORM.

Each Surgeon Lieutenant (D) on entry to provide himself with the uniform necessary for Dresses Nos. 4, 5 and 7, and if sent to a hot climate, that necessary for Dresses 8b and 10, as specified in the Uniform Regulations.

Towards the provision of the necessary uniform each officer accepted for service will receive an equipment allowance of £40, payable on joining.

All necessary instruments and dental equipment will be provided.

(D) MESSING.

Temporary Surgeon Lieutenants (D) will be allowed, when attached to ships in commission, the ordinary Ship's rations, but will have to pay about 2s. a day towards the maintenance of their Mess as Ward Room Officers.

(E) PENSIONS FOR WOUNDS AND FOR WIDOWS, &C.

In the event of Surgeon-Lieutenants (D) engaged for temporary service being wounded in His Majesty's service or injured on duty, pensions or gratuities would be paid under the Regulations in force at the time for Surgeon-Lieutenants (D) on the Permanent List, and in the event of the death of a temporary Surgeon-Lieutenant (D) from wounds in action or some other cause attributable to the service, his widow and children would likewise be dealt with under the same Regulations as would the widow and children of an Officer on the Permanent List.

(F) CONDITIONS OF SERVICE.

1. To engage for 18 months, with the option of continuing for further periods of 6 months should their services still be required.

2. To serve when and where required from the date of signing the Declaration.

3. To be liable to immediate discharge for misconduct or if for any reason considered by the Admiralty to be unsuitable for retention. In this case the gratuity laid down in Section B will not be payable, but their Lordships shall have discretionary power to award such gratuity not exceeding £10 for each completed month's service as they may think fit.

4. To rank with, but after, Surgeon Lieutenants (D) in the Permanent Service.

5. To be under the general rules of the Service as regards discipline, &c.

6. To receive two calendar months' notice of service being no longer required (after six or nine months' service), except in case of an Officer invalided or discharged for misconduct or unsuitability under paragraph 3. Officers who serve for further periods of six months will be discharged without notice on the termination of the six months unless arrangements have previously been made to extend their period of service by a further period of six months.

(G) TRANSFER TO THE PERMANENT SERVICE.

A Temporary Surgeon Lieutenant (D) after six months' service, on application to the Secretary of the Admiralty may be considered for transfer to the Permanent Service on a satisfactory report being received from the Senior Dental Officer (or in his absence the Senior Medical Officer) of the Squadron, Hospital, or Depôt in which he has served or is serving, as to his professional ability, and a favourable report from his Commanding Officer as to conduct.

Such candidates must be under the age of 28 but if any over that age have served as Temporary Surgeon Lieutenant (D) the time served may be deducted from their age if it will bring them within the age limit.

Officers so transferred will not be eligible for the Discharge Gratuities provided in these Regulations.

They will be permitted to count their seniority from date of entry for temporary service for purposes of:—

(a) Promotion.
(b) Increment of Full Pay.

They will similarly be permitted to count their service from date of entry for purposes of Retired Pay, but for purposes of Retiring Gratuity on the Permanent Officers' Scale their services will reckon only from the date of transfer to the Permanent List.

The date of transfer to the Permanent List will be the date of receipt in the ship or establishment in which the officer is serving of the order for his transfer to the Permanent List, and until that date he will retain his temporary rate of pay.

Officers transferred to the Permanent List will receive an additional equipment allowance of £10.

REGULATIONS RESPECTING THE ENTRY OF PAYMASTER CADETS.

1. Appointments to Paymaster Cadetships will be made by limited competition, with the following exception, viz.:—

One candidate will be nominated annually, who will be required to obtain a satisfactory standard in elementary mathematics and such an aggregate of marks in Class I. as may satisfy the Civil Service Commissioners.

2. This candidate will be selected by the Board of Admiralty after interview from sons of officers of the Royal Navy or Royal Marines who have been killed in action or who have been lost at sea on active service, or killed on duty or who have died of wounds received in action or injuries received on duty within six months from the date of such action or injury, or who have performed long and meritorious service.

Except as regards exemption from the competitive examination, the candidate will be subject in all respects to these regulations. He will not be required to take Part II. of the examination.

3. All candidates, including the candidates for the service nomination referred to in para. 2, will be required to present themselves before a Committee. This Committee will interview each candidate separately and examine the reports furnished by the Headmaster of the school he is attending or has attended covering a period of at least 2 years. This report will be obtained beforehand from the Headmaster for the information of the Committee as to the candidate's conduct, abilities, past training and general promise of suitability. The First Lord of the Admiralty will be guided by the recommendation of the Committee in his selection of candidates to whom nomination will be granted to compete at the examination for Paymaster Cadetships.

Applications to have the names of candidates placed on the list should be addressed to the Secretary of the Admiralty (C. W. Branch.) Candidates must apply before the 31st March for the June examination and before the 31st August for the November examination. No applications received after this date will be entertained. Application should not be made until the candidate has reached the age of sixteen.

4. Two examinations for Paymaster Cadetships will be held annually—on the fourth Tuesday in June and the third Tuesday in November—under the direction of the Civil Service Commissioners address—Burlington Gardens, W.1.)

Candidates will be required to pay the following examination fees to the Civil Service Commissioners before the educational examination, viz :-

If examined in London £4
If examined elsewhere.. .. .. £5

The Civil Service Commissioners will deal with all questions connected with such examination, and will announce the results.

Should any candidate desire to sit for the Entrance examinations referred to in para. 5 as well as for a Paymaster Cadetship at one and the same time, the above mentioned fees will cover such examinations.

No candidate will be eligible for examination who is under 17 or over 18 years of age on the following dates immediately following the date of the examination in question:—

For the June examination .. 1st September.
For the November examination .. .. 1st February.

As proof of the candidates eligibility in point of age, a Registrar's certificate of birth must be produced. A certificate of baptism alone will not be accepted.

5. By arrangement a candidate who is admitted to compete in the examination for a Paymaster Cadetship may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time for admission to the Royal Military Academy, Woolwich, or Royal Military College, Sandhurst, or to First appointments in the Royal Marines or the Royal Air Force Cadet College, or for special entry as a Naval Cadet if such are being entered, in which case he must express definitely his order of preference† before the examination has begun. For particulars of the conditions of entry to the Royal Military Academy and Royal Military College, application should be made to the Secretary, Civil Service Commission.

6. The number of Paymaster Cadets to be entered at each examination will be regulated by the requirements of the Service.

7. A candidate must be of pure European descent and the son either—

(1) of natural born British subjects, *or*
(2) of parents naturalised in the United Kingdom.

If any doubt arises upon this question the burden of clear proof that he is qualified will rest upon the candidate himself.

8. Candidates who may be successful at the educational examination will be required to pass the medical examination, according to the prescribed regulations, before the Medical Director-General of the Navy, and must be found physically fit for the Royal Navy.

They must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease, or weakness of any kind, and in all respects well developed and active in proportion to their age. The cases of short-sighted candidates, in other respects fit, will be specially considered.

A Medical Board of Appeal has been instituted to meet cases in which the parent or guardian of a candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, a physician nominated by the Medical Consultative Board, and a specialist in the particular defect which caused the disqualification of the candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds of a candidate, the parent or guardian will at once be informed that, subject to the payment of a fee of four guineas, the candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the parent or guardian to the Director General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant-General of the Navy.

With a view to preventing candidates who may be physically unfit for his Majesty's Service from incurring the inconvenience and expense of preparing for commissions in Royal Navy, it is suggested that they should undergo examination by the medical adviser of the family, or by any other qualified medical practitioner. A list of the defects which cause rejection appears on page 2343-4.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official Physical Examination.

9. Candidates if nominated will be required to forward to the Secretary of the Admiralty (C. W. Branch) a certificate of ability to swim.

10. Candidates will be examined in all the following subjects in Class I., and in any two of the subjects in Class II., and they will be required to obtain a satisfactory standard in Elementary Mathematics and such an aggregate of marks in the examination as a whole as will satisfy the Civil Service Commissioners.

	Marks.
Class I.	
(1) English	2,000
(2) English History and Geography	2,000
(3) Mathematics A (Elementary)	2,000
(4) French or German	2,000
Class II.	
(*a*) A second modern language	2,000
(*b*) Latin	2,000
(*c*) Greek	2,000
(*d*) Either Physics and Chemistry or General Science	2,000
(*e*) Mathematics B (Intermediate)	2,000

The second modern language selected by a candidate under Class II must be different from that selected by him under Class I., and if it is other than French or German the written consent of the Admiralty must be obtained by the candidate at the time of his nomination.

The syllabus of the examination will be the syllabus prescribed for the Army Entrance Examination, a copy of which may be obtained on application to the Secretary, Civil Service Commission.

The possession of Army Certificate "A," whether obtained in the Officers' Training Corps or not, will entitle the holder to receive, as additional marks, the marks obtained in the examination for that certificate.

† Following the Army Regulations, a Candidate may say that if he is not among the first (so many) successful competitors for the Royal Military Academy or the Royal Military College (as the case may be) he will elect for a Paymaster Cadetship.

Digitized by Google

To qualify a candidate who is not a member of the Officers' Training Corps to take examination for Certificate "A" he must have been for at least two years in his present school or have served for at least two years in a recognised Territorial Force Unit on the 1st October, immediately preceding the date of the written examination (Part II) for the certificate in question.

11. All candidates will be required to bear their own travelling and subsistence expenses in connection with interviews and educational and medical examinations, and on first joining the service in the event of their receiving an appointment as Paymaster Cadet.

12. The employment of an Accountant Officer, R.N., falls into two broad divisions which are interchangeable according to circumstances of service and selection, viz.:—

a. Cash and charge of Naval, Victualling and Clothing Stores of the Ship.

b. Secretarial Duties on the Staff of a Flag or Senior Officer, or elsewhere.

The duties at (a) are those which an Accountant Officer normally fulfils. Those at (b) depend primarily on selection by a Flag Officer and appointment to his Staff, and carry additional emoluments.

It is desirable that the parents or guardians of an Accountant Officer should be prepared to assist him pecuniarily to the extent of £50 on his promotion to the rank of Paymaster Sub-Lieutenant, at about 21 years of age, to enable him to obtain the uniform and other gear necessary for a Commissioned Officer.

} Candidates who are ex-Dartmouth Cadets who have been withdrawn from the Royal Navy, other than those withdrawn for insufficient progress, unsatisfactory conduct, or as being unsuitable for the Naval Service, and who by reason of their services at the Royal Naval College are unable to qualify for the award of additional marks for Military efficiency, may, at the discretion of the Lords Commissioners of the Admiralty, be allowed 400 additional marks at the examination if they completed the full College Course. If the full course had not been completed at the time of withdrawal, 50 marks will be deducted for each term or part of a term sacrificed.

This evidence should be forwarded with the recommendation.

(c) Candidates recommended by Educational Authorities.

2. They will be reported on by their Commanding Officers, on the completion of 5 months' service afloat, as to their fitness for confirmation as "Schoolmasters."

3. Schoolmasters not recommended for confirmation on the completion of 5 months' service afloat will be discharged to the shore or revert to their original rating, unless at the discretion of the Admiralty they be allowed the option of a further period of probation not exceeding 6 months.

4. Seniority as Schoolmaster, when confirmed in the rank, will be reckoned as from the date of entry as Schoolmaster Candidate.

5. The remainder of the outfit gratuity will be granted on confirmation (*vide* Section I., para. 6).

III.—Schoolmaster (Rank of Warrant Officer).

1. All Schoolmasters will be required to take a short re-qualifying course at about the completion of 7, 13, and 19 years' service from entry.

2. Classes for this purpose will be held half-yearly, and last 6 weeks.

3. Schoolmasters who fail to reach the required standard on completion of a re-qualifying course will be allowed to take the course a second time after an interval of not less than 12 months.

4. Schoolmasters who fail to pass will not be eligible for further increments of pay or for advancement to the rank of Commissioned Officer from Warrant Rank, having regard to the fact that they will be available only for minor appointments. Provision is made in Section XII. for optional retirement with a gratuity

IV.—Schoolmaster (Rank of Commissioned Officer from Warrant Rank).

1. Schoolmasters will be advanced "automatically" to the rank of Commissioned Officer from Warrant Rank on the completion of 18 years' service, provided that they are recommended and have qualified by Examination.

2. It is to be clearly understood that, as the Schoolmaster Branch are entered as Acting Warrant Officers and no longer serve as ratings, the rule in other branches which allows of automatic promotion to Commissioned Officer from Warrant Rank after 10 years' service in Warrant Rank, subject to satisfactory record, does not apply to this branch.

V.—Advanced Course.

1. Schoolmasters who are recommended for early advancement as having shewn marked ability, both as teachers and in organising the work of their ship, and who reach the necessary standard in the first re-qualifying course—or subsequently in special cases—will be eligible for selection for an Advanced Course of instruction.

2. The course will include:—

More advanced instruction in technical subjects, and in their application to the special work of the Gunnery, Torpedo, Navigation, and Wireless Telegraphy Schools, and of the Air and Submarine Services.

General information as to the qualifications required for the various higher ratings and Warrant Ranks.

Lectures on the training and development of the mind.

Information in regard to the duties of the Squadron Schoolmaster.

3. The course will last 22 weeks.

4. Those who complete the course and examination satisfactorily will have their names distinguished by a † in the list of Schoolmasters.

VI.—STAFF FOR ORGANISATION AND SUPERVISION.

1. In order that there may be made available a staff of Schoolmasters to fill positions equivalent to those of "Headmaster" and of "Senior Assistant," and that these may be given the status requisite for their special duties, it has been decided to institute two higher grades to be termed "Headmaster" and "Senior Master," to be confined to a limited number who have been selected by a gradual process of elimination as specially fitted for these responsible positions.

Officers of these grades will hold the ranks of Lieutenant and Commissioned Officer from Warrant Rank respectively.

Senior Master.

2. The number of Senior Masters will not exceed, in the normal course, 25 per cent. of the total number of active service Officers of the Schoolmaster Branch. Subject to this limit the establishment will be determined by the number of appointments in which the services of a Senior Master are required.

3. In the Schoolmaster Branch, Senior Masters will rank above all "Schoolmasters."

4. Appointments as Senior Masters will be made only into vacancies, and will be by selection from among those Schoolmasters who have passed the Advanced Course, and are recommended as possessing the special qualities requisite for a supervising appointment.

5. Senior Masters will be considered as "Acting" for the first 12 months of their service in that grade.

VII.—HEADMASTER (ACTIVE LIST.)

1. Senior Masters with not less than 3 years' service as such will be eligible for promotion to Headmaster on the Active List.

2. The number of Headmasters on the Active List will not exceed, in the normal course, 8 per cent. of the total number of active service Officers of the Schoolmaster Branch. Subject to this limit, the actual number at any time will be determined by the number of appointments in which the services of a Headmaster are required.

3. Promotions will be made by selection as vacancies occur.

VIII.—HEADMASTER (RETIRED LIST.)

1. Senior Masters who retire after not less than 10 years' service in that rank will be eligible for promotion to the rank of Headmaster on the Retired List.

2. Similar promotion, as a reward for long and zealous service, will be allowed in the case of specially recommended Schoolmasters who retire after not less than 23 years' service.

IX.—WIDOWS' PENSIONS, WOUND GRATUITIES, &C.

Widows' pensions, wound gratuities, compassionate allowance, &c., will be according to the scales for Warrant Officer, Commissioned Officer from Warrant Rank, Lieutenant and Lieutenant Commander respectively.

X.—UNIFORM.

The Schoolmaster Branch will wear the uniform of Officers of their respective ranks, as laid down in W O. 3502/13, with distinction cloth of light blue.

Admiralty, S.W.,
November, 1913.

1. Vacancies for appointments as Apprentices to the various trades (including Shipwrights, Engine, Ship and Electrical Fitters, Boilermakers, Coppersmiths, Founders, Joiners, Painters, Patternmakers, Plumbers, Ropemakers, Sailmakers, Smiths, &c.) in His Majesty's Dockyards at Chatham, Sheerness, Portsmouth, Devonport, Pembroke, and Rosyth are open to public competition, and examinations for these appointments are held in April in each year (see par. 6). The number of vacancies in the respective trades in each Dockyard will be fixed before each examination, but no undertaking is given that any apprenticeship will be offered for any of the above named Dockyards or in any trade.

2. The Lists of Candidates for these appointments are kept at the office of the Civil Service Commissioners. All applications for the Forms to be filled up by persons who wish to compete must be sent to the *Secretary, Civil Service Commission, London, W.*, on or after the first of January in each year. Care must be taken that the Forms when filled up reach the *Civil Service Commissioners* on or before the 1st March *following* (or if that date should fall upon a Sunday or public holiday, then, on or before the first day thereafter on which their office is open), as no action will be taken on Forms received after that date.

No Candidate will be allowed to compete at any one examination for entry as an Apprentice at more than one Dockyard.

3. *Special Entry by Nomination.*—A limited number of vacancies for Apprentices will be reserved annually at the several Dockyards for candidates nominated by the Admiralty on the recommendation of the Superintendents of the Home Dockyards.

These nominations will be confined to the sons of those who have claims on account of service in the Royal Navy, Army, Royal Marines or Royal Air Force or in civilian employment in Naval Establishments

Applications for such nominations should be made to the Superintendent of the Dockyard in which the candidate desires to be entered, not later than the 1st January in each year.

The Candidates who are recommended for nomination will be required to compete at the open competitive examination in the ordinary way and the nominations will be awarded by the Admiralty to those recommended candidates who are placed highest on the examination list in order of merit at the respective Dockyards (excluding those who are successful in the open competition).

Nominations will not be awarded to candidates who obtain less than 700 marks at the competitive examination.

Nominated candidates will be required to satisfy the conditions in regard to age, physical fitness, etc., laid down for candidates at the open competitive examinations.

4. *Age and Character.*—The Candidates, who must be natural-born British subjects and the sons of fathers also natural-born British subjects, must be *not less than Fifteen nor more than Seventeen years of age on the first day of August in the year in which they are examined.** Evidence of age and character will not be required before the examination, but Candidates successful in it will not be eligible for appointment unless they satisfy the Admiralty on these points.

* Candidates whose fifteenth birthday anniversary falls on 1st August will be eligible, but those whose seventeenth birthday anniversary falls on 1st August will not be eligible.

Candidates will be medically examined at the Royal Naval Rendezvous, 7 Whitehall Place, London, or at a naval port or establishment, or on one of His Majesty's ships, which will be selected by the Admiralty as near as possible to their place of residence. All Candidates who at the time of their Medical examination cannot produce Certificates to the satisfaction of the Examining Officers that they have been re-vaccinated, must be re-vaccinated before they can be considered eligible for entry.

6. The Educational Examination will be held by the Civil Service Commissioners in London, Edinburgh, Belfast, Glasgow and Aberdeen, as well as at the several Dockyards, and will take place in the month of April in each year. The exact date may be ascertained by application to the Secretary, Civil Service Commission, Burlington Gardens, London, W., on or after the 1st January in each year. 11. Provided their character and conduct are satisfactory, and that they have made such progress in their trades and in the educational subjects prescribed for Dockyard Apprentices as to render them efficient workmen, Apprentices will, if there are vacancies, be entered as journeymen on the expiration of the probationary period following the completion of the period of apprenticeship, and after any time lost by absenting has been made up; and will be merged with the general body of hired workmen in the respective trades.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

(These regulations are under revision).

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the attached table, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that on which their husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. His Majesty's Orders in Council increasing rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently hereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorised by these Regulations cannot be claimed as a *Right*;—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer,—and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

The Widows of Naval Officers placed on permanent Half Pay or on the Retired or Pension List, on or after the 2nd August, 1910, on account of misconduct, after having completed not less than 20 years counting towards retirement or pension, may at the discretion of the Admiralty be granted pensions, provided that a deduction of not less than 10 per cent. shall have been made from the Retired Pay or Pensions to which, but for their misconduct, these Officers would have been entitled. In such cases the Widow's Pension will be reduced by half the percentage by which the husband's Retired Pay or Pension has been reduced.

Widows of retired Officers, or others formerly in the Royal Navy, having been allowed to resign their Commissions, who have been called out or have volunteered for service in case of war or emergency and have lost their lives from causes attributable to the Service, may be allowed pensions, and their Children Compassionate Allowances on the special scale applicable to the rank held by the Officer at the time of his death, notwithstanding that he may have married whilst on the Retired List or after resignation of his Commission, and subject to the provisions of the Commutation Acts of 1871 and 1882.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years except Commissioned Officers from Warrant Rank, and Warrant Officers pensioned before 1st October, 1875, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign state unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenant-Commanders or Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 10th November 1886, and is not to apply to Widows of Retired Officers or others called out or volunteering in case of war or emergency, who lose their lives from causes attributable to the Service.

xi. If her husband, being a Medical or Dental Officer, should retire or withdraw upon a gratuity.

8. The pensions of Widows whose private incomes may, after their pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 10th November 1886, are only entitled to the Pensions of their respective classes, in the event of their husbands having 10 complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of his duty. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service as Commissioned Officer on the Active List will not apply to:—Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active, Reserved, or Retired Lists as qualifying for eligibility for pension to their widows.

(*b*) Lieutenants, Engineer Lieutenants and Shipwright Lieutenants promoted to that rank from Commissioned Officers from Warrant Rank or Warrant Officer.

The Widow of a Mate, Commissioned Officer from Warrant Rank, Divisional Chief Officer of Coast Guard, or Chief Officer of an R.N.R. Battery, is only entitled to the rates applicable to those ranks should her husband have had one year's service in the rank, or should his death have been attributable to the Service; otherwise the rates applicable to Warrant Officers or to Chief Officers of Coast Guard Stations will be awarded.

The Widow of a Warrant Officer or Chief Officer of a Coast Guard Station with less than one year's service (acting time, if any, included) and confirmed in the rank, is not eligible for a Pension unless the Officer's death is attributable to the Service.

The Widow of a Head Schoolmaster who has been killed in action, or who has died of wounds received in action within 7 years of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy, within 7 years of his having been first certified to be ill, or who shall have completed not less than one year's continuous service as Warrant Officer at the time of his death, shall be granted a Pension, provided the marriage took place before the Officer attained the age of 45 years, and the Widow be certified as being left in necessitous circumstances and subject to the conditions laid down for the Pensions of other Officers' Widows, so far as they apply. The foregoing provisions are not applicable to Head Schoolmasters pensioned on or after the 10th January, 1910.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November, 1886, that the marriage took place before the Officer left the Active List.

12. In all cases of a Widow re-marrying, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall,—in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage *within one month* of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves *in Scotland*, in presence of a Magistrate, according to the Form given, or a Decreet of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank and seniority of their husbands at the date when they were last on the Active List, except in the case of (1.) Captains who were advanced to the rank of Flag Officer whilst on the Retired List and who were Retired or Married before the 10th November, 1886, whose Widows are pensioned as the Widows of Flag Officers, and (11.) Commissioned Officers from Warrant Rank retired after 1st April, 1896, with the substantive honorary or relative rank of Lieutenant, Carpenter Lieutenant, or Engineer Lieutenant, whose Widows are pensioned as the Widows of Junior Lieutenants.

16. *Children of Officers.*—(1) Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, Commissioned Officers from Warrant rank and Warrant Officers may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

(2) The scale of Compassionate Allowances for Children of Officers is laid down in the foregoing Table.

(3) When a Medical Officer retires, or withdraws on a gratuity, his children will have no claim to Compassionate Allowance.

17. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances, the allowance may be continued, or revived should any break of continuity from under age have occurred.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of Allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death, and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowance would cease.

18. Children who are being educated at the expense of Greenwich Hospital may be granted the Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

19. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

20. Allowances to Children are payable from the date following that of the Officer's death to the 31st March next ensuing, and subsequent payments are made yearly in advance from 1st April in each year.

21. Children who were born after their Fathers commuted their Retired Pay are not eligible to be placed on the Compassionate List. Children born after partial commutation will only be granted a proportion of the Allowances for which they would otherwise have been eligible.

The Good Service Pensions of Retired Officers are subject to the general Regulations contained in the King's Regulations and Admiralty Instructions, Art. 2014A.

These Pensions shall not be held in addition to any other Pensions, unless it shall be a pension conferred for wounds or injuries received in the Service.

A Flag Officer shall give up his Good Service Pension if he is appointed Naval Aide-de-Camp to His Majesty.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to Officers who have commanded ships in action against the enemy.

The Good Service Pensions for Flag Officers may be conferred on Officers either on the Active or the Retired List, provided, in the case of Retired Officers, that retirement shall have taken place after attaining Flag Rank, and that the Retired Pay, together with the Good Service Pension, shall not exceed the half pay of an Admiral of the Fleet.

Flag Officers in receipt of these Pensions shall be allowed to retain them after being retired: but, if the Retired Pay and Good Service Pension together exceed the half-pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

An Admiral of the Fleet on the Active List shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An Officer promoted in pursuance of His Majesty's pleasure to the rank of Admiral of the Fleet on the Retired List under the provisions of the Order in Council of 22nd of February, 1870, Section X. para. 1, shall in consideration of the rank not carrying an increase of Retired Pay, be allowed to retain the Good Service Pension, or if not in possession of one shall be eligible for it.

Captains, Royal Navy, shall be eligible for the award of Good Service Pensions while on the Active List only; and shall forfeit them on promotion to be Flag Officers on the Active List.

Captains, Royal Navy, shall relinquish their Good Service Pensions on retirement, and no Captain will be allowed to receive any addition to his retired pay on account of a Good Service Pension held by him upon retirement, except in case of retirement for ill-health caused by the Service. In such cases Officers will receive, at the discretion of the Admiralty, an addition ranging from a minimum of 50*l.* to a maximum of 150*l.*, and the increase over the minimum will be at the rate of 15*l.* for each year's service in excess of 20 years. In no case, however, will the retired pay of a Captain exceed 600*l.* a year.

Flag Officers and Captains are allowed to receive their Good Service Pensions notwithstanding appointment to Full Pay or Civil Salary.

Should any Flag Officer holding a Good Service Pension be in receipt of, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Civil Pension, and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

Engineer Vice-Admirals, Engineer-Rear-Admirals and Engineer-Captains shall be eligible for the award of Good Service Pensions whether on the Active or Retired List, but when a Good Service Pension is awarded to an Engineer-Captain on the Active List he shall relinquish it on promotion to Engineer-Rear-Admiral, or on retirement.

General Officers of Royal Marines shall be eligible for the award of Good Service Pensions whether on the Active or Retired Lists.

A General Officer awarded a Good Service Pension while on the Active List shall be allowed to retain it on being retired.

Medical Officers shall be eligible for the award of Good Service Pensions, whether on the Active or Retired Lists.

A Medical Officer awarded a Good Service Pension while on the Active List shall be allowed to retain it on being retired.

PENSIONS TO SEAMEN AND MARINES.

The following information, extracted from the Regulations as to Pensions, is published for information, but it must be understood that all pensions, &c., are given at the discretion of the Admiralty, or, in the case of Disablement or Injury Pensions, administered by the Ministry of Pensions, of the Minister of Pensions, and that no man has any right to pension on account of apparent eligibility under the rules herein published.

NAVAL PENSIONS.

Long Service Pensions are granted to Continuous Service Men and Officer's Stewards and Cooks after 22 years' service from the age of 18; to Royal Marines after 21 years' service from the age of 18; to other Men after 22 years' service from the age of 20.

The following scale is adopted in awarding the *ordinary* Amount of Long Service Pensions to Petty Officers and Seamen of the Fleet and to Royal Marines:—

	s. d.
1. Men to whom only the Ordinary Pension is awarded	0 1½ a day for each year of service.
2. For each good conduct badge (up to a maximum of 3d.)	0 1 a day In addition.
3. Men whose character for the whole period of their service is recorded as "*very good*"	0 1 " In addition.
4. Men to whom the Good Conduct Medal is awarded	0 2 " In addition.
5. For each year of pensionable service after completing time for Pension	0 1½ a day.
Petty Officers, in addition to the Rates of Pension awarded them as seamen, are allowed *for each year's service* in the capacity of *superior* Petty Officer	15 2 a year.†
Inferior ditto ("Second Class Petty Officer" or a rating ranking as Leading Seaman.)	7 7 a year.†
Chief Petty Officers are granted in addition, for each year served in that capacity subsequent to the completion of the first period of Continuous Engagement ..	15 2 a year.

The system on which Naval and Marine Pensions are based is the same. Colour-Sergeants and equivalent ranks count time as Chief Petty Officers; Sergeants as Petty Officers; Corporals and also Gunners, Privates, Musicians and Buglers, after five years' service on the recognized establishment of a divisional or depôt band, as Leading Seamen; other Marines as Able Seamen.

Where a man has received an injury on duty not incapacitating him for service, a small addition can be made to his long-service pension, or a gratuity may be awarded.

The time during which a man may have borne an indifferent or bad character is forfeited.

Men discharged the Service on account of injuries and wounds attributable to the Service, but not due to the Great War, receive compensation in the form of pensions either for life or for a limited period, or gratuities, at the discretion of the Admiralty, according to the following scales:—

† These rates are doubled for Petty Time with very good character in the case of continuous service Petty Officers, provided they shall have served for one continuous period of not less than TEN YEARS, and shall be discharged to pension from continuous service with the rating of Petty Officers, or with a rating ranking as Leading Seaman.

The compensation is based on length of service and degree of disablement, and, when a pension is admissible, will include the usual additions for rank, good conduct badges and medal.

Service Element.

(a) *Pensions*—

*Over 10 years' service, 1s. a day for life.
Over 14 years' service, 1s. 6d. a day for life.
Over 16 years' service, 1s. 9d. a day for life.
Over 18 years' service, 2s. a day for life.
Over 20 years' service, 2s. 6d. a day for life.

If qualified for the award of a long service pension 1½d. a day for each complete year of pensionable service.

(b) *Gratuities.*—Men discharged with less than the qualifying period of service required for the award of a life pension are eligible for the grant of a gratuity not exceeding £2 for each completed year of pensionable service.

Disablement Element.

(a) *Pensions.*—Where the degree of disablement is assessed at 20 per cent. and upwards, pensions may be awarded either temporarily, or permanently according to the circumstances of the case, on the basis of a maximum scale of 32s. 6d. per week for total disablement (100 per cent.), lower degrees of disablement carrying proportionately reduced rates.

(b) *Gratuities.*—If the degree of disablement is assessed at less than 20 per cent., a gratuity appropriate to the degree of disability, but not exceeding a maximum of £100, may be awarded. Gratuities may also be granted in respect of slight permanent injury due to the Service for which a Hurt Certificate was granted, when disharge is totally unconnected with the injury, and the pension or gratuity awarded is based on length of service only.

Rank Element.

This element comprises the allowance for petty time as laid down in Articles 1088, Clause 1, and 1091, Clause 1, of the King's Regulations and Admiralty Instructions, and the usual additions for good conduct badges and medal as allowed under the Long Service Scale.

Method of Combining the Service, Disablement and Rank Elements.

Men eligible for pensions in respect of both the Service and Disablement Elements will be granted the larger amount in full, and one half of the other, the total so arrived at will be increased by the addition of the Rank Element.

Men eligible for a pension in respect of the Service Element and for a gratuity on the ground of Disablement, or vice versa, will have their pensions assessed on the appropriate Service or Disablement scale, plus the Rank Element, and will receive payment in full, in addition to the Disablement or Service gratuity appropriate to their case.

Men eligible for gratuities only in respect of both the Service and the Disablement Elements will receive payment in full.

* This rate is restricted to certain men who entered the Service under Continuous Service conditions prior to 1st October, 1921.

SCALE OF PENSIONS AND GRATUITIES ALLOWABLE WHEN THE CAUSE OF INVALIDING IS NOT ATTRIBUTABLE TO THE SERVICE.

The compensation is based on length of service and, when a pension is admissible, will include the usual allowances for rank, good conduct badges and medal.

(*a*) *Pensions*—

*Over 10 years' service, 1s. a day for life.
Over 14 years' service, 1s. 6d. a day for life
Over 16 years' service, 1s. 9d. a day for life.
Over 18 years' service, 2s. a day for life.
Over 20 years' service, 2s. 6d. a day for life.

If qualified for the award of a Long Service Pension, 1½d. a day for each complete year of pensionable service.

The usual additions will be made for good conduct badges and medal as allowed under the Long Service Scale and for petty time as laid down in Articles 1238, Clause 1, and 1932, Clause 4, of the King's Regulations and Admiralty Instructions.

(*b*) *Gratuities.*—Men discharged with less than the qualifying period of service required for the award of a life pension will be eligible for the grant of a gratuity of £2, plus an additional 10s for each ten degrees of disability in excess of 70 per cent. in respect of each completed year of service.

The foregoing scales are applicable to the persons referred to in Articles 1196 and 1931, Clause 1, of the King's Regulations and Admiralty Instructions, with the exception of those excluded, as regards non-attributable disabilities, by Article 356, provided that the wound or injury or disability is not due to negligence or misconduct on the part of the man, or to his want of proper care. In the latter cases, pension or gratuity may be withheld at Admiralty discretion, or awarded at such reduced rate as may be thought fit.

The disability scales will be subject to reduction at the discretion of the Admiralty in the event of the cost of living falling considerably below its present level. Such reduction, if made, will apply to all such pensions which are being drawn at the date of reduction, as well as to future grants.

Where a seaman or marine is injured in such circumstances that a pension, allowance, or grant is payable to or in respect of him under these Regulations, and where he receives compensation from or on behalf of the person alleged to be responsible for the act or omission which caused the injury, any such compensation may be taken into consideration in assessing any pension, allowance, or grant which might be awarded to or in respect of the man; and where the compensation is received after assessment, it may be taken into consideration and the assessment may be amended or cancelled accordingly.

In the case of non-European Native ratings *who are eligible for the award of pensions under existing Regulations*, i.e., entrants *before* 1st January, 1904, the basic rate of long service pension is ½d. a day for each complete year of pensionable service. In the event of discharge by invaliding the disability pension or gratuity is based on one-half of the rates allowable to Europeans discharged in similar circumstances.

The award of compensation to Native ratings *entered on or after* 1st *January*, 1904, who may be invalided on account of injury or disability attributable to the conditions of service will be specially considered as and when they arise.

The following special scale of pension is applicable to Officers' Steward and Cook ratings who may be invalided from the Royal Navy for causes not attributable to the conditions of service, and who have no service in sea-going ships in commission:—

	s.	d.	
Service 14 to 17 years.	1	6	a day for life.
1 8to 21 ,,	1	9	,, ,,
22 to 25 ,,	2	0	,, ,,

together with the usual additions for Good Conduct Badges and Medal as allowed under the Long Service Scale and for petty time as laid down in Articles 1238, Clause I. and 1932, Clause 4 of the King's Regulations and Admiralty Instructions.

In the case of such Officers' Stewards and Cooks with no service in sea-going ships in commission who may be invalided for causes attributable to the conditions of service the foregoing scale will be regarded as, and substituted for the "Service Element" scale laid down in paragraph 7 (page 2370).

A Seaman discharged as medically unfit, or who after discharge suffers from disablement, such disablement being either attributable to or aggravated by service during the Great War, and not being due to his serious negligence or misconduct, may be granted by the Ministry of Pensions a minimum pension at the rates shown in the Schedule on page 2371a, or, in the case of injury not shown therein, or of disease, at the rate which is estimated to represent the extent of his disablement.

The allowances for Badges, Medal and Petty Time are given as in the case of Long Service Pensions, and an additional allowance is given for service as follows:—

	s.	d.	
Men of 6 years' service and under 12 years . . .	1	0	a week.
Men of 12 years' service and under 18 years . . .	2	0	,,

Men of 25 years' service and over	5	0	,,

A man invalided in his second engagement, or after 10 years consecutive service on the Continuous Service system, and eligible for life pension in respect of his service is entitled, in addition to pension for war disablement, to allowances for service instead of the above scale on the following scale:—

	s.	d.	
For over 10 years' service (C.S. Men only) .	7	0	per week
For over 14 years' ,, .	8	0	,,
,, ,, 16 ,, ,, .	9	0	,,
,, ,, 18 ,, ,, .	10	0	,,
,, ,, 20 ,, ,, .	11	0	,,

so long as the pension for war disablement is continued. On the war disablement pension ceasing or the degree of disablement falling below 20 per cent., a life pension is awarded at the following rates:—

	s.	d.	
For over 10 years' service (C.S. Men only) .	7	0	per week
For over 14 years' ,, .	10	6	,,
,, ,, 16 ,, ,, .	12	3	,,
,, ,, 18 ,, ,, .	14	0	,,
,, ,, 20 ,, ,, .	17	6	,,

Subject to certain conditions, additions are made in respect of wife, and also children under the age of 16, at such proportion of the following weekly rates as corresponds to the degree of disablement at which the man is assessed for pension:—

	s.	d.	
For wife or 1st child when no wife's allowance is granted . . .	10	0	per week
For 1st child when wife's allowance is granted or 2nd child when no wife's allowance is granted .	7	6	,,

3. Registrars holding R.N.R. commissions on 4th August 1914 may be allowed to count service between 4th August 1914 and 3rd August 1919 as double time for the award of the Decoration.

5. Applications for the award of the Decoration should be addressed as laid down in Article 219 in the Regulations for the R.N.R.

DECORATION FOR OFFICERS OF THE

ROYAL NAVAL VOLUNTEER RESERVE.

HIS MAJESTY THE KING has been graciously pleased to approve of the institution of a Decoration for Commissioned Officers of the Royal Naval Volunteer Reserve, under the following regulations:—

1. Volunteer Officers having 20 years' service (which need not be continuous) may be granted a decoration designated "The Volunteer Officers' Decoration." Honorary Service will not be allowed to count except as provided in clause (d) with regard to Chaplains already serving. The following will be allowed to reckon towards the 20 years.

(a.) All service over 17 years of age as a Midshipman and all commissioned service in the Royal Naval Volunteer Reserve or in the disbanded Royal Naval Artillery Volunteers, and all commissioned service in the Army, Volunteer, or Territorial Force.

(b.) Half the time served as a Petty Officer or man of the Royal Naval Volunteer Reserve, in the ranks of the late Royal Naval Artillery Volunteers, or of the Army, Volunteer or Territorial Force, and

(c.) All previous service qualifying for the Colonial Auxiliary Forces Officers' Decoration, provided that at least 10 years' qualifying service has been spent in the Royal Naval Volunteer Reserve or Royal Naval Artillery Volunteers or the Army, Volunteer, or Territorial Force of Great Britain

(d.) Chaplains will be eligible for the decoration, this being irrespective to the date of entry in the case of Chaplains already serving in the R.N.V.R.

2. Officers who belonged to the R.N.R., R.N.V.R., and R.N.A.S.R. on 4th August, 1914, may be allowed to count mobilised time from that date to the date of demobilisation as double in the case of Officers' time, or full in the case of man's time, for the purpose of reckoning eligibility for this decoration.

3. Those serving as indicated in clause 2, who may subsequently have performed war service in any other branch of the Naval Forces (including that under special Naval engagements, T. 124 and its variants), or the Army or the Royal Air Force, may similarly count such war service as double or full time respectively.

4. Full actual mobilised time qualifying as above for the R.N.V.R. Medal shall be allowed to reckon as qualifying service for the R.N.V.R. Officers' Decoration instead of half such time under peace conditions

5. The requirement that the last five years' qualifying service must be in the R.N.V.R. is abrogated in the case of those coming under the foregoing concessions.

6. An officer who has previously been granted the R.N.V.R. Medal, and is subsequently granted the V.D., may wear both medal and decoration,

7. Officers and men who transfer to the R.N.V.R. from the Territorial Force before completing time for the T.F. Decoration or Medal and have not qualified for either in respect of service during the war, may be allowed to reckon any period counting towards those decorations for the V.D. or R.N.V.R. Medal, provided the last five actual years have been served in the R.N.V.R.

8. Applications for his Decoration are to be made in writing by the Commanding Officer of each Division, and each case is to be supported by a statement of the applicant's service on Form R.N.V. 11. The Decoration being granted as a reward for good and long services Commanding Officers should in each case state in general terms the reasons which, in their opinion, give the applicant a claim to receive the decoration. Commanding Officers will forward their recommendations to the Admiral Commanding Reserves for the consideration of the Admiralty, and the decoration if awarded will be issued from the branch of the two services in which the Officer shall have served the greater portion of his last ten years of qualifying service.

9. The leters "V.D." will be inserted in the Navy List against the name of the Officer to whom the decoration is given.

10. Any Officer on whom this Decoration has been conferred may be deprived of it, with the King's approval, if convicted of any act derogatory to his honour as an Officer or a gentleman.

REGULATIONS RESPECTING THE
LONG SERVICE AND GOOD CONDUCT MEDAL
FOR
THE ROYAL NAVAL RESERVE.

1. The Medal may be granted to all men enrolled for the first time in the Royal Naval Reserve on and after the 1st April, 1908, who satisfactorily complete 15 years' service with the requisite periods of Naval Training and have entered their fourth period of service, provided their character has never been assessed below "very good" during such training or actual service.

2. The Medal may also be granted to all other Royal Naval Reserve men who have satisfactorily completed 15 years' service with the drill or training required during that period provided they have entered for the fourth period of service, and that their character has never been assessed below "very good" during such training or actual service.

3 To entitle a man of the Royal Naval Reserve to a Medal, he must have been recommended for the award by the Registrar General of Shipping and Seamen.

4 Time served in the Royal Navy except mobilised service as a member of the R.N.R. will not be allowed to count towards the 15 years' service required; but, as regards Royal Naval Reserve men transferred to the Coast Guard, time served in that Force will be allowed to count in cases where the Naval Long Service and Good Conduct Medal is not awarded.

5 Men transferred from the Royal Naval Reserve to the Royal Navy or the Royal Fleet Reserve, and men discharged from the R.N.R. on completion of a term of enrolment or on becoming medically unfit, who enter the Royal Navy and eventually enrol in the Royal Fleet Reserve, may count service in the Royal Fleet Reserve toward the Royal Naval Reserve Long Service and Good Conduct Medal, provided that men entered in the Royal Navy on or after the 1st April, 1908, declared their prior service in the Royal Naval Reserve on entry in the Royal Navy.

6 Men awarded the Royal Naval Reserve Long Service and Good Conduct Medal under the preceding paragraph, who subsequently qualify for the Royal Fleet Reserve Long Service and Good Conduct Medal, will be required to relinquish the former as a condition of the award of the latter.

7. Men who belonged to the R.N.R on the 4th August, 1914 may be allowed to count mobilised time from that date to the date of dispersal, as double for the purpose of reckoning eligibility for this Medal.

8. Those serving as indicated in clause 5 who may subsequently have performed war service in any other branch of the Naval Forces (including that under special Naval engagements, T. 124 and its variants), or the Army or Royal Air Force, may similarly count such war service as double time.

9. The requirements in clauses (1) and (2) that the fourth period of enrolment must have been entered, are abrogated in the case of those coming under the foregoing concessions (Clauses (5) and (6)).

10. Men who have been granted the R.N.R. Long Service and Good Conduct Medal, and who have served for a further period which would have again qualified them for an award of a medal, may be awarded a clasp to the original medal.

11. The Medal may be granted to a Commissioned Officer who has served as a Warrant Officer, Petty Officer or man in the R.N.R., on completion of 15 years' combined service, but time reckoning for the Medal cannot also be counted for the Reserve Decoration.

12. Chief Skippers, Skippers, Commissioned Engineers and Warrant Engineers are eligible for the above Medal on the completion of 15 years' combined service as an officer and man.

13. The form of application (R.V. 74) which provides for a record and certificate of efficient service should be submitted by the Registrar of Royal Naval Reserve of the man's Home Port to the Registrar-General who will complete and forward the same to the Admiral Commanding Coast Guard and Reserves, who will determine the validity, or otherwise, of any claim for the Medal.

14. When the conduct of a member after he has been awarded the Medal is considered to be such as to disqualify him from wearing it, he may be deprived of it by the Admiral Commanding. The deprivation will be reported to the Admiralty.

15 A minimum period of three years' "V.G" conduct is required for restoration of the Medal, and a medal which has been forfeited for misconduct may be restored on the man's discharge from the Reserve at the discretion of the Admiral Commanding, provided the above condition has been fulfilled. Should the man, however, complete five years' "V.G." conduct before he is discharged, the Medal may be restored on completion of that period under Article 778, clause 7, King's Regulations, at the discretion of the Admiral Commanding.

16. When it is desired to replace a Medal which has been accidentally lost, the man to whom the Medal belonged must make a declaration before a Magistrate (or Registrar of Royal Naval Reserve) stating the circumstances in which the loss occurred, together with his rank, name, and R.V. 2 number. This declaration will be sent to the Admiralty through the Registrar General, and the Medal will be replaced on payment, if the explanation as to its loss is considered satisfactory.

GOOD CONDUCT MEDAL AND GRATUITY.

NOTE.—The revised regulations governing the award of Good Conduct Medals and Gratuities to Seamen and Marines will be promulgated as early as practicable. The principal alterations have reference to Gratuity, provision having been made for the payment of a Good Conduct Gratuity of £20 at the time of award of the Medal to Continuous Service Seamen, Officers' Stewards and Cooks, and Marines, irrespective of rank, serving in the Royal Navy or Royal Marines on and after the 1st May, 1919, and not pensioned as from a prior date.

As from the date of the award of the Medal, an additional gratuity can also be earned at the rate of £1 a year for each complete year of subsequent qualifying service with V.G. character, the amount so accruing being paid in a lump sum on promotion to *confirmed* Warrant Rank, or on discharge to pension.

Extracts from the King's Regulations and Admiralty Instructions.

SEAMEN.

750. Men holding any of the Ratings specified as eligible for these awards in Appendix XV., Part I. who entered the Service prior to 1st January, 1885, and to whom they are still applicable, may be recommended for the Good Conduct Medal and Gratuity, under the following special rules. Pensioners coming under these conditions who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a man to a Medal—

(a.) He must have served for 10 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension;

(b.) He must have been recommended for it on his Service Certificate for the three consecutive years immediately preceding his application.

(c.) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

3. After a man has been awarded seven years of such continuous "Very Good" character as will under these Regulations count towards the Medal, and should his character continue to be "Very Good," the Captain will add to the character of "Very Good" given on his Service Certificate, whenever he is required to record it, the letters R.M. (Recommended for Medal), if he should consider him deserving thereof from his invariable very good conduct and exemplary manner of performing his duties. After 12 years of such "Very Good" character, the Captain will in like manner add the letters G.R. (Gratuity Recommended).

4. Desertion, reduction to the Second Class for conduct, imprisonment, detention, or the award of character less than "Good" during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 5 and 6 of this Article and Clause 4 of Art. 751.

5. Exceptional cases. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider, with reference to the grant of a Medal without Gratuity, the case of any man who can show 15 years of continuous "Very Good" character, and who has been recommended as prescribed in Clause 2, Sub-Clause (b), of this Article, notwithstanding anything he may have done or any character which may have been awarded to him except "Bad" or "Indifferent," in his previous service.

6. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

7. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

8. To entitle a man to a Gratuity —

(a.) He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension.

(b.) He must have been awarded the Medal and have never forfeited it.

(c.) He must have been recommended for the Gratuity on his Service Certificate for the three consecutive years immediately preceding his application.

(d.) He must have been continuously awarded the character "Very Good" since he received the Medal.

(e.) He must have completed time for Long Service Pension unless previously invalided, and must be recommended for the Gratuity by the Captain under whom he is serving at the time of application.

9. The scale for Gratuities shall be as follows:—

Chief Petty Officers, having served as Chief and First Class Petty Officers (OS) or Petty Officers (NS) for not less than 10 years .. ..

Digitized by Google

	£
Petty Officers (NS) having served as such or as First Class Petty Officers (OS) for not less than 10 years	15
Second Class Petty Officers (OS), with 7 years' service as such, or men of Leading Seaman rank with over 3 years' service as such, and 7 years' subsequent service in that capacity ..	10
Leading Seaman, having served as such for not less than five years	7
Able Seamen, and others	5

10. In cases where the man recommended may not have served the full period to entitle him to the gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as in the opinion of the Admiralty, it may be proper to award him.

11. If a man should die before receiving the Gratuity to which he may be entitled, it will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

12. Clauses 6, 8, and 15 to 22, of Article 751, are applicable to men who joined the Service before 1st January, 1885.

751. Men holding any of the Ratings specified as eligible for the good Conduct Medal in Appendix IV., Part 1 who entered the Service after 31st December, 1884, may be recommended for the award under the following rules:—

Note.—This also applies to all boys who were under the age of 18 on 31st December 1884.

2. To entitle a man to a Medal—

(a.) He must have served for 15 years with continuous "Very Good" character," and with previous character not inferior to "Good," in service reckoning for pension

Note.—In cases where character during pensionable service has been assessed as "Good" on the 31st December in any year, time reckoning for Medal will not commence until the 1st January following.

(b.) He must have been recommended for the award by his Captain on his Service Certificate for the three consecutive years immediately preceding his application.

(c.) He must be recommended by the Captain under whom he is serving at the time of application.

3. After a man eligible for a Good Conduct Medal under Clause 1 has been awarded 12 years' continuous "Very Good" character as under these Regulations, will count towards the Medal, and if his character should continue to be "Very Good," the Captain, if he considers him deserving thereof, is to enter on his Conduct Sheet or Service Certificate the notations of the recommendations provided for under Arts. 328 and 330, Clause 3.

4. Desertion or Reduction to the Second Class for Conduct will render a man absolutely ineligible for the award of a Good Conduct Medal, except one reduction within the first five years of a man's time, provided that by his good conduct he earned his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." *See* Clause 2 (a).

5. The Admiralty will nevertheless consider any recommendation which may be made in special circumstances on behalf of a man who can show 15 years continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a man's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character is maintained, will commence earning a Good Conduct Gratuity at the rate of 1*l.* a year which is not to be paid until he completes time for Pension. If invalided before completing time for pension, he will be paid 1*l.* for each completed year that he as served since the Medal was awarded or restored.

8. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men becoming eligible for the award.

9. If a man is awarded the character of "Good," instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

10. If a man is deprived of his Medal, he will lose all claim to Gratuity; in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5*l.* will be awarded.

11. If a man is invalided after having been awarded the Medal, and before completion of the full time for Pension, he will be awarded the amount of Gratuity in accordance with Clause 7 of this Article.

12. If a man should die after the award of his medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

13. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a gratuity.

14. In cases where men who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

15. Men who have been paid the Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible by

further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same man.

16. In the case of a man who has been paid Gratuity after completing time for Pension, and whose Pension is not secured to him under Art. 1946, Clause 2, the Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge; but in the case of a man whose Pension is secured, only so much of the Gratuity as may have been earned by service in excess of 22 years will be recovered.

17. In all these cases if the Captain should see fit to withhold the required recommendation for Medal or Gratuity he will fully record in the Conduct Book his reason for so doing and draw a line across the "R.M.G." column of the man's Service Certificate or the corresponding column of his Conduct Sheet (form S.239a).

18. No service can reckon for Medal or Gratuity which does not reckon for Pension, but Officers' Stewards and Cooks who have not performed the necessary service in seagoing ships to qualify for Pension under Article 1934, Clause 4, will not be debarred from an award of the Medal if otherwise eligible.

19. Imprisonment by the Civil Power shall not prejudice a man's claim to a Medal or Gratuity unless it shall have been so directed by the Admiralty if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

20. A break in service not due to desertion, dismissal, sentence of imprisonment or detention or other misconduct on the Man's part will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal or Gratuity, provided that he rejoin within five years, or, if invalided, so soon as the state of his health permits.

21. Names of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty so soon as the Men become eligible for them, on Form S. 218, accompanied by their Service Certificate, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and by the District Captains of Coast Guard, and when the approval of the Admiralty has been received, the Medals are if possible to be presented before the Ship's company by the Captain of the Ship.

22. The foregoing regulations for the award of Good Conduct Medals and Gratuities apply to the Coast Guard Afloat and on Shore.

4. 12. If a Marine is deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5*l.*, will be awarded.

13. If a Marine is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he may be then entitled by service.

14. If a Marine should die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

15. Any Marine voluntarily quitting the Service before being entitled to a Pension will not be entitled to a Gratuity.

16. In cases where Marines who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the Maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

17. Marines who have been paid the Good Conduct Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently became eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same Marine.

18. In the case of a Marine who has been paid a Good Conduct Gratuity after completing time for pension, so much of the Gratuity paid as may have been earned by service in excess of 21 years will be recovered from his Naval Pension if he misconducts himself during subsequent service, and becomes ineligible for the award on final discharge.

19. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons on the Company Conduct Sheet, and a copy of this record is to be attached to the next quarterly return. 22. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal Gratuity, provided that, should he be eligible for re-entry, he rejoins as soon as the state of his health will permit, and completes the required service.

23. The service of a Marine who reverts to the corps after serving in the Ship's Police or Sick Berth Staff on probation, will not be considered as broken in continuity with reference to Medal and Gratuity or Pension.

24. In the case of a Marine who has served in the Army prior to joining the Royal Marines, and whose former Army service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Register of Service" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with Clauses 2 and 3 of this Article.

25. Names of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty on Form S. 218 accompanied by their Service Certificates or certified copies thereof by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, through the Adjutant General, as soon as the Marines become eligible for them, and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's Company by the Captain of the ship, and in the case of Marines on shore, by the Commandants on parade.

1193. A sum not exceeding 400*l.* a year is placed at the disposal of the Admiralty, to be distributed in Annuities not exceeding 20*l.* as rewards for distinguished or meritorious service, to be granted either before or after discharge to Sergeants who have completed 21 years' service, or have been granted a life pension on account of hurts received in action, or otherwise in the execution of duty. Such Annuities may be retained by any recipients who may subsequently attain the rank of Warrant Officer, and may be held in addition to Pension.

2. The names of Sergeants who may be considered eligible for this reward for distinguished or meritorious service by the Officer under whose command they are serving at the time of their discharge to Pension, are to be reported to, and registered in the Department of the Adjutant-General of Royal Marines, in order that when an Annuity becomes vacant it may be granted to the most deserving.

3. The Sergeants selected for this honorary distinction shall be entitled to wear a Silver Medal, having on one side His Majesty's effigy, and on the other the words "For Meritorious Service," and the name of the Sergeant, with the date of its grant; and they will not be liable to forfeiture of the Annuity and Medal, except by sentence of a Court Martial, or by conviction of felony by the Civil Power.

REGULATIONS FOR OFFICERS ON RESERVED OR RETIRED LISTS WHEN CALLED OUT OR UNDER TRAINING.

(Orders-in-Council, 8th March, 1895, 12th November, 1900, 16th May, 1904, 5th March, 1910, 5th July, 1911, 3rd Feb., 1915, 14th Oct., 1915, and 15th Feb., 1916.)

1. Whenever His Majesty may be pleased by His Order in Council, to call officers from the reserved or retired lists into active service in case of war or emergency, such officers shall be, in all respects, entitled to the pay and emoluments of their corresponding ranks on the active list, their retired pay being suspended. Officers promoted on, or subsequently to retirement, will receive the rate of Full Pay of the higher rank, and those not so promoted the rate they were receiving when last in receipt of full pay, but unemployed time on the Retired List does not count for increases of full pay governed by seniority.

2. Officers on the Retired, Pension, or Reserve Lists of the Navy, when called out for service in time of war or emergency will receive a bonus of twenty-five per cent. for every pound of the full pay of their rank earned by them, exclusive of allowances. The time served will not count for increase of retired pay or pension.

2a. If, however, an Officer's retired pay exceeds the full pay of his corresponding rank on the active list, he will continue in receipt of his retired pay, and will receive a bonus of twenty-five per cent. for every pound of retired pay received during the period of re-employment, exclusive of allowances.

3. In the case of Officers who have commuted their retired pay or who received gratuities on discharge, deductions will be made from their full pay equal to the amount of retired pay commuted, or to the annual value of the gratuity.

4. In cases where a step or steps in rank have been granted automatically to Retired Officers solely by virtue of, and in strict, seniority the Officers are to take command according to their seniority on the Retired List, except that Captains retired from that rank are in no case to take command over an Officer on the Active List of Flag Officers, or over one who has retired from the Active List of Flag Officers. In other cases where Officers have received advancement on the Retired List the right of command will continue to depend upon the rank last held on the Active List.

5. Officers called from the Reserved, Retired, or Pension Lists during war or emergency may be promoted irrespective of the regulations which are in force at the time for Officers of the same class on the active list, but such special promotion will not extend to the granting of Flag rank or of any equal relative rank. It will carry with it during re-employment the emoluments of the higher rank.

6. Allowances for Equipment to Officers on the Reserved or Retired Lists if employed in case of war or emergency:—

When employed on combatant duties.

	£
Flag Officers, Commodores and Officers of the same relative rank	40
Captains, Commanders, and Officers of the same relative rank	35
Lieutenant-Commanders, Lieutenants, and Officers of the same relative rank	30
Sub-Lieutenants, and Officers of the same relative rank	25
Warrant and Subordinate Officers	20

Officers promoted from Commissioned Officers from Warrant Rank to Commissioned rank while called out will receive an additional £10.

When employed on non-combatant duties.

	£
Flag Officers, Commodores, Captains, Commanders and Officers of the same relative rank	18
Officers of lower rank	15

An Officer transferred from non-combatant to combatant duties will be eligible to receive a further payment equivalent to the difference between the two scales.

7. Retired Officers who may be selected to fill appointments in time of emergency will undergo such courses of instruction as may be necessary to qualify them for the duties of the posts they will be required to take up. While undergoing such courses they will receive in lieu of their retired pay, the rate of full pay (without command money), and allowances of their corresponding ranks on the Active List, unless the retired pay exceeds the full pay, in which case they are to receive their retired pay. In the cases of Officers who have commuted their retired pay or who received gratuities on discharge, deductions will be made from their full pay equal to the amount of retired pay commuted, or to the annual value of the gratuity. Such periods of training will not reckon as time for increase of full or retired pay.

8. In the event of the death of an Officer re-employed under these regulations, from causes attributable to the service, pension and compassionate allowances will be granted to his widow and children on the special scale applicable to the rank held by the Officer at the time of his death, irrespectively of whether his marriage took place when on the active or retired list, always subject to the operation of the Commutation Acts of 1871 and 1882, under which a proportionate reduction must be made in the amounts of the pension or compassionate allowances awarded to a widow married or children born after the Officer has wholly or partially commuted his retired pay.—(O. in-C., 10th August 1903.)

OFFICERS ON THE EMERGENCY LIST.

GENTLEMEN WHO HAVE RESIGNED THEIR COMMISSIONS IN THE ROYAL NAVY.

(Under the Provisions of Orders in Council of the 13th May, 1901, 11th February, 1913, 5th July 1916, 7th February, 1921 and 10th August, 1921).

In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are permitted to resign their Commissions on the Active List for private reasons should enrol their names on this list.

Officers so enrolled are allowed to retain their Commissions and to wear the Uniform of their rank at time of resignation, but they do not receive pay, or pension, when not employed.

If called up for Active Service, Officers on this list, if promoted subsequently to being placed on the Emergency List, receive the rate of full pay of the higher rank, and those not so promoted the rate they were receiving when last in receipt of full pay, but unemployed time on the Emergency List does not count for increases of full pay governed by seniority. Officers will also receive outfit gratuities not exceeding the following amounts:—

When employed on combatant duties.	£
Flag Officers, Commodores, and Officers of the same relative rank	40
Captains and Commanders and Officers of corresponding relative rank	35
Lieutenant-Commanders, Lieutenants and Officers of corresponding relative rank..	30
Sub-Lieutenants and Officers of corresponding relative rank	25

When employed on non-combatant duties.	£
Flag Officers, Commodores, Captains, Commanders and Officers of the same relative rank	18
Officers of lower rank	15

An Officer transferred from non-combatant to combatant duties will be eligible to receive a further payment, equivalent to the difference between the two scales.

Officers promoted after they have been placed on the Emergency List will receive the rate of Full Pay of the higher rank, and those not so promoted the rate they were receiving when last on Full Pay.

They will also be granted a Bonus of 25 per cent. on the Full Pay (exclusive of Allowances) earned during their employment.

Officers who may receive hurts or wounds on Active Service in the Royal Navy, and the widows and children of Officers who may be killed, or who die of injuries received on Active Service will be eligible for the grant of Pensions and Allowances as if the Officers had been on the Active List.

Emergency Officers voluntarily re-employed (*e.g.*, during annual Manœuvres) will receive in addition to the full pay and allowances of their rank a bonus of 15 per cent. for every pound of full pay (exclusive of allowances) earned by them.

Equipment allowances will be granted at the following rates, provided that no Officer will receive any allowance if less than three years have elapsed between the date of his resignation and the date of his re-employment, and that no allowance will be repeated to the same Officer within a period of five years:—

	£	s.	d.
To all Officers below the rank of Lieutenant	9	0	0
To Lieutenant-Commanders, Lieutenants or Officers of corresponding rank	12	10	0
To Commanders or Officers of corresponding rank	14	10	0

Officers actually selected to fill appointments to be taken up in time of war or emergency, will undergo such instruction as may be considered necessary to fit them for the duties they will be called upon to perform. Attendance at such courses of instruction will be under the following regulations:—

(a) The pay is the same as would be given if called out during war or emergency, except the Bonus.

(b) Travelling expenses of Officers attending the Courses are allowed.

(c) Plain clothes may be worn, and no allowance for outfit is given.

(d) Accommodation, when available, will be provided if desired.

Ex-Officers who are placed on the List will be shown as such in the Navy List.

Any Officer who withdraws his name from the Emergency List before the age of 55 will be required to resign his Commission.

Engineer Officers placed on the List will be selected from ex-officers whose profession continues to be connected with mechanical engineering. The nature of their employment since the date on which they resigned their commission should be stated by Candidates when volunteering, and also, if selected, once a year after their names are placed on the List.

Digitized by Google

In the same manner Medical Officers only will be selected who continue to practise their profession. The nature of their present work as medical men should be stated.

Officers called from the Emergency List into active service during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List.

In special cases Officers may be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List

Officers are required to write annually, until they are 55 years of age, on the 1st January to the Secretary of the Admiralty, stating whether they are still fit to serve. After reaching the age of 55 Officers are required to report themselves annually between the 1st January and 31st March by letter to the Editor of the Navy List, otherwise their names will be removed from the List. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment whichmay take them away from the United Kingdom, thus rendering them not available for service in H.M. Fleet at short notice, they must first obtain the approval of the Admiralty.

Gentlemen whose names are placed on the Emergency List as volunteers to serve in case of emergency will be required to fill up and return a form which will be sent to them.

Officers on the Emergency List are not eligible for promotion when not employed, except as stated below:—

Sub-Lieutenants are eligible, at the discretion of the Admiralty, for promotion to the rank of Lieutenant after attaining three years' seniority or on completion of two years' service after being "called out," including service prior to resignation, whichever is the earlier date.

Sub-Lieutenants who have been or may in future be promoted to Lieutenant on attaining 3 years' seniority to be eligible for the rank of Lieutenant-Commander on attaining 8 years' seniority as Lieutenant, provided they have completed 2 years' service after being "called out," including previous service as Sub-Lieutenant.

Acting Lieutenants (ex Mates) who have not completed their courses for the rank of Lieutenant to be eligiblefor confirmation with their Acting seniority.

Mates to be eligible for promotion to the confirmed rank of Lieutenant as from the dates that they would normally have been due for the latter rank had they remained on the Active List (i.e. between 2 and 3 years seniority as Mate) provided that to be eligible for promotion before attaining three years seniority as Mate, Officers must have:—

(1) Served not less than two years as Mate.

(2) Obtained a Watchkeeping Certificate.

(3) been recommended for promotion before retirement.

Mates (E) on the Emergency List who were promoted under normal Regulations are eligible for promotion to the rank of Engineer Lieutenant as from the dates they would have been due normally for that advancement on the Active List provided that, to be eligible for this promotion before attaining three years' seniority as Mate (E), Officers must have

(a) served not less than two years as Mate (E) on the Active List,

(b) been recommended for promotion before retirement.

Acting Engineer Lieutenants promoted to that rank from Mate (E) under the special War regulations laid down in King's Regulations and Admiralty Instructions, Appendix X. Part V, Section 1, and placed on the Emergency List as Acting Engineer Lieutenants, are eligible for confirmation in the rank of Engineer Lieutenant, with their Acting seniority, on completing one year's seniority in the Acting rank.

Instructor Lieutenants placed on the Emergency List subsequently to the 1st July, 1919, to be eligible at the discretion of the Admiralty for promotion to the rank of Instructor Lieutenant-Commander on attaining six years' seniority.

Surgeon Lieutenants placed on the Emergency List subsequently to the 1st July, 1919, to be eligible at the discretion of the Admiralty, for promotion to the rank of Surgeon Lieutenant-Commander on attaining six years seniority if they be recommended by the Director General of the Medical Department of the Navy and have served two years at sea.

(b) on attaining three years' seniority, whichever is the earlier date.

Paymaster Lieutenants placed on the Emergency List subsequently to 1st July, 1919, to be eligible at the discretion of the Admiralty, for promotion to the rank of Paymaster Lieutenant-Commander on attaining 8 years' seniority if their records are satisfactory, subject to their having passed the necessary examination for the corresponding rank on the Active List where required to do so by the Regulations.

Sub-Lieutenants will be eligible for promotion to Lieutenant after one year's service from the date of entry in the Royal Navy or on the date on which they would have become eligible for the rank of Lieutenant in the Royal Naval Reserve, but power is reserved to the Admiralty to appoint them as Acting Lieutenants at any period of their service.

All Officers of the Military Branch are liable to be called upon to perform Navigating and pilotage duties in His Majesty's Ships, but the additional pay to Commanders, Lieutenant-Commanders, Lieutenants, and Sub-Lieutenants for the discharge of such duties, is contingent on their having passed the necessary examination in Pilotage.

11. Lieutenant-Commanders, Lieutenants and Sub Lieutenants appointed for Navigating duties are to take a share in the ordinary duties of the Ships, such as watch keeping, acting as Divisional Officers, &c., but this participation in the ordinary duties is not to interfere with their special navigating duties and is to be arranged at the discretion of the Captain.

12. At Courts of Inquiry, Surveys, and other similar assemblages of Officers, the Officer who, in virtue of his office, would, under these Regulations take the military command, is in all cases to preside, irrespective of the relative rank of the other members, whose precedence on such occasions shall be determined by the table given on page 2405.

† Under Order in Council of the 7th January, 1915, Engineer Officers form part of the Military Branch. he Order in Council provides that they shall not be eligible to take command of His Majesty's Ships, id that in all details relating to the duties of the Fleet and to the discipline and interior economy of His ajesty's Ships they shall be subject to the authority of any Officer who may be in charge of the Executive ties of the Ship, or acting as Officer of the Watch, or specially detailed for the charge of any other ecial service or duty, of whatever seniority such Officer may be.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall, subject to the exceptions provided for in Chapter III. of the King's Regulations and Admiralty Instructions, be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, unless the relative rank is granted at the discretion of the Admiralty, or is dependent on the attainment of seniority or completion of service. In the latter case it shall take effect from such attainment of seniority or completion of service in the particular rank.

(For TABLE, *see* p. 2405.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore, on joint service with His Majesty's Land Forces, their relative rank shall carry with it all the precedence and advantages, except command, attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following rules be observed in the Colonies in regard to the precedency of Naval and Military Officers in command of His Majesty's Forces:

a. The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governors of other Colonies shall rank next after such Naval and Military Officers.

b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant Colonel and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and the Chief Justice, their own relative rank being determined by the regulations on that subject.

c. The Officer in command of His Majesty's Naval Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieut.-Colonel, are to continue to take rank, as has heretofore been the case, next after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, avail for the purpose, they will not override the precedence which in a few Colonies is conferred upon certain Officers, either by law, or by the terms of Letters Patent from the Crown; which instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

1. Officers of the Royal Naval Reserve, and Royal Naval Volunteer Reserve, with the exception of those referred to in Clause 2 below, rank with, but after, Officers of the Royal Navy of corresponding rank in the order here given *e.g.*, Lieutenants R.N. rank before Lieutenants R.N.R., before Lieutenants R.N.V.R., and Lieutenants R.N.V.R. before Sub-Lieutenants R.N., whatever their seniority may be.

2. Lieutenant-Commanders and Lieutenants R.N.R. and R.N.V.R. holding qualified status (distinguished in the seniority lists in the Navy List by the symbol (*)) rank with officers of the Royal Navy of corresponding rank according to their dates of seniority.

3. Officers holding acting rank, rank immediately after the Officers holding the same confirmed rank in the same service, *e.g.*, acting Lieutenants R.N. rank after Lieutenants R.N. (confirmed), but before Lieutenants R.N.R. (confirmed) (provided the latter are not qualified officers.)

4. Royal Naval Volunteer Reserve Officers other than those referred to in Clause 2 above are not to assume any Naval command or authority whatsoever, unless ordered to do so, by superior Naval Officers. (Art. 172 N.R. & A.I.)

Hon. Secretary of Ladies' Committee: MISS A. CHADS.
Secretary: PAYMASTER-CAPTAIN W. G. E. PENFOLD, C.B.E., R.N.

THE object of the Institution is to provide for the fatherless children of our Seamen and Marines a useful and religious education, according to the principles of the Church of England, and to support and clothe them as far as the Funds will permit.

If accommodation is available, to receive the children of Widowers, below Warrant Rank, serving in His Majesty's Navy and Marines, subject to conditions, and payment of a weekly sum, to be determined by the Directors, and to train these children in the same way as the fatherless children.

Numbers of such children are found in our Naval Ports, surrounded by all that is distressing in poverty and vicious in morals.

In the Female Orphan Home there are 130 girls entirely dependent on the funds of the charity (eligible for admission between the ages of seven and eleven years) who are maintained, clothed, and educated; there are in addition 10 girls partially maintained by Greenwich Hospital Funds and 4 under the Royal Patriotic Fund.

There is also another small Home in Clarendon Road, Southsea, where 20 children from 5 to 7 are received.

The girls are under the guidance of a careful matron and subject to a course of industrial training to qualify them for domestic service and such other occupations as the Directors from time to time deem advisable. A few girls will join the Secondary School for further teaching, and some are attending the Higher Education Classes outside the Home.

There are 40 boys (to be increased to 50), maintained from the Funds of the Home, at Swanley in Kent.

The Directors depend on voluntary contributions for funds to carry on the Institution. The number of children they can receive depends upon the amount of their Funds. They therefore confidently appeal to the charitable for help in carrying on and extending these works of usefulness, and rescuing from want and misery the fatherless children of those who have served their country, and who, in many cases, whilst thus engaged, have lost their lives in war, or by storm, shipwreck or disease.

Visitors are earnestly invited to view the Institution, which is open daily for inspection from 11 a.m. till 3 p.m., Saturdays excepted.

President: THE COMMANDER-IN-CHIEF, THE NORE.
Vice-President: THE COMMODORE, R.N. Barracks, Chatham.

THE object of the Home is to provide for the fatherless children of our Seamen and Marines, and ensure them a practical training, including all household and laundry work, under a capable Matron, with a view to domestic service. Every effort is made to secure good situations for the girls on leaving the Home.

If any girl shews a particular aptitude for special work outside domestic service she is given her chance, if practicable.

To encourage those educationally inclined, "Nore Scholarships" at the Chatham Secondary School, at the expense of the Funds, have been instituted.

On 31st December, 1922, 37 girls were maintained in the Home, in addition to 38 boys, maintained at Swanley and other Homes.

All denominations are accepted and orphans of men of the R.N.R., and R.N.V.R., who have lost their lives whilst on duty in the Royal Navy, are equally eligible with those of men of the Royal Navy. Age for admission 5 to 12 years.

The Home is governed by a Committee of officers and men, who earnestly invite visitors to view the Home.

The extent of the good work of the Home depends on voluntary contributions, and all donations will be gratefully received. Donations should be sent to the Hon. Treasurer and all correspondence to the Hon. Secretary, addressing in both cases to the Royal Naval Barracks, Chatham.

GEORGE GUTHRIE'S FUND.

Education of the Sons of Scotsmen killed or disabled in the War.

This Fund was settled in trust as a Memorial of Lieutenant GEORGE WATSON GUTHRIE, M.B., C.M., of the Royal Army Medical Corps, who was killed in action at Beaucourt, France, on November 13th, 1916.

Dr. Guthrie, who was born in 1876, was the youngest son of the Rev. David Guthrie, Minister of the Free Church of Scotland at Liberton, and was a grandson of the Rev. Dr. Thomas Guthrie of Edinburgh. He took his medical degrees at the University of Edinburgh in 1900, and then proceeded to London, where he became a house surgeon at Middlesex Hospital. Owing to a serious illness he decided to relinquish his medical career, and accepted a business appointment in South America. For some years before the War he was resident in Chili and Peru.

In 1916 he received a commission in the R.A.M.C. and was sent to France. He was attached to the Naval Division, and was killed by a shell at Beaucourt while attending to the wounded in the open field under heavy fire.

The Fund produces an annual free income of about £1,000.

The Trustees are Mr. GEORGE MACDONALD, C.B, Secretary of the Scottish Education Department; Mr. W. K. DICKSON, LL.D., Advocate, Edinburgh; Mr. H. P. MACMILLAN, K.C., Edinburgh; Professor HARVEY LITTLEJOHN, Dean of the Faculty of Medicine in the University of Edinburgh, and Mr. E. F. H. BRADBY, Solicitor, London.

The Trustees are directed to apply the free income of the Fund for the purpose of educating and training for professional life or for business, or maintaining during the period of education and training, or assisting to educate or maintain the sons of Scottish officers, warrant officers, non-commissioned officers, and men of the Royal Navy, the Army, and the Royal Air Force, and their auxiliary services, wherever resident, who have served in the War, and who either have been killed in action, or been drowned, have died of wounds, accidents, or illness contracted in the course of their active service, or have been so disabled during such service as to be unable to give their sons such a position, education, and training as they would otherwise have been able to do.

The Trustees are to be the sole judges of the qualifications of the applicants, and as to whether the facts properly infer Scottish nationality.

In dealing with applications they are to give full weight to the character and social upbringing of the applicants, as well as to their educational attainments and capacity.

After the expiry of twenty-five years from November the 11th, 1918, being the date of the cessation of hostilities in the late War, the Fund is to be transferred to the University of Edinburgh for the purpose of endowing post-graduate research fellowships, to be known as "GEORGE GUTHRIE'S FELLOWSHIPS."

A wide discretion has been left to the Trustees, and they have not laid down any hard-and-fast scheme with regard to the allocation of grants from the Fund. They are prepared to consider each individual case on its merits, being guided by the general principle that the purpose of the Trust is to benefit boys whose family circumstances before the War were such that they might reasonably have looked forward to becoming officers in His Majesty's Service, or to entering professional or business life, and who on account of the death or disablement of their fathers in the War are unable to obtain, or to continue, the necessary education without assistance.

The Trustees invite applications on behalf of boys who are so situated. They will also be glad to receive suggestions as to suitable cases.

All communications should be addressed to the Agents for the Trust, Messrs. Murray, Beith & Murray, W.S., 43 Castle Street, Edinburgh,

February 1923.

THE FLORENCE NIGHTINGALE HOSPITAL FOR GENTLEWOMEN

19, LISSON GROVE, LONDON, N.W.1.

This Hospital was founded in 1850 by VISCOUNTESS CANNING and organised by MISS FLORENCE NIGHTINGALE, who acted as the First Lady Superintendent before she left for the Crimea.

Its object is to provide gratuitous medical and surgical treatment for ladies of limited means, Governesses, Artists, Hospital Nurses, and relatives of the Clergy, Naval, Military and Professional Men.

Patients are attended by eminent Physicians and Surgeons from the Staffs of the leading London Hospitals.

The income is derived from patients' fees, which vary from £2 2s. to £4 4s. per week, equalling about half of the total expenditure, and from investments which bring in about £300. The Balance of some £3,000 has to be made up by annual subscriptions and donations.

Any further particulars, together with forms for admission, and the Report for 1922, can be obtained from the Lady Superintendent, at the above address.

ROYAL NAVAL SCRIPTURE READERS' SOCIETY.

Head Offices:—TRAFALGAR INSTITUTE, PORTSMOUTH.

Patron—ADMIRAL OF THE FLEET HIS MAJESTY KING GEORGE V.
President—REAR ADMIRAL J. W. L. McCLINTOCK, C.B., D.S.O.
Chairman—VEN. ARCHDEACON C. W. C. INGLES, D.D., *Chaplain of the Fleet.*

This Society (founded in 1860) provides trained Lay Workers for the Royal Navy and Royal Marines. The Society works only among men of the Service; it is officially recognised by the Admiralty, and it now appeals to the Service for financial help.

The Readers work in Shore Establishments at the chief Naval Ports at home. They find many opportunities to get into close touch with Service men, and to deliver their message. They render valuable help to the Chaplains under whom they work.

The serious increase in post war expenses has not been met by a corresponding increase in receipts. The Society is now in urgent need of a larger income. Subscriptions and Donations may be sent to -
